(2) Any person holding a current valid license may renew ***the***[~~such~~] license for the next year without taking another examination unless the department determines that new knowledge related to classifications for which the applicant has applied makes a new examination necessary. However, if the license is not renewed by ***April***[~~June~~] 1 of each year then ***the***[~~such~~] licensee shall again be required to take another examination.

Section 15. KRS 217B.120 is amended to read as follows:

The failure to file[~~ such~~] a report shall not be a violation of this chapter. HJR 63, A JOINT RESOLUTION authorizing and directing a comprehensive study of the feasibility of creating regional agricultural marketing centers in Kentucky, and making an appropriation therefor.

WHEREAS, all the states contiguous to Kentucky have greater sales of horticultural products than Kentucky; and

WHEREAS, many of the states contiguous to Kentucky have publicly funded agricultural marketing centers; and

WHEREAS, there are limited organized markets for Kentucky horticultural goods; and

WHEREAS, Kentucky has a suitable climate, soil, and farm resources to produce horticultural products; and

WHEREAS, there is an interest in additional agricultural enterprises for Kentucky farmers;

NOW, THEREFORE,

Be it resolved by the General Assembly of the Commonwealth of Kentucky:

Section 1. The Department of Agriculture shall conduct a study of the feasibility of creating regional agricultural marketing centers in the Commonwealth. The study shall also consider if facilities for grading, cooling, and packing produce on a regional basis are needed.

Section 3. There is hereby appropriated from the general fund the sum of $20,000 to accomplish the study. Any amount remaining following the completion of the study shall revert to the general fund. The study shall begin not later than August 1, 1998, and the report and recommendations shall be submitted to the Legislative Research Commission no later than September 1, 1999.

If the building or the premises are open to the public, the employer or business enterprise shall post signs on or about the premises if carrying concealed weapons is prohibited. Possession of weapons in a vehicle on the premises shall not be a criminal offense so long as the weapons are not removed from the vehicle or brandished while the vehicle is on the premises. An employer may prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons in vehicles owned by the employer, but may not prohibit employees or other persons holding a concealed deadly weapons license from carrying concealed deadly weapons in vehicles owned by the employee. Carrying of a concealed weapon in a location specified in this subsection by a license holder shall not be a criminal act but may subject the person to denial from the premises or removal from the premises, and, if an employee of an employer, disciplinary measures by the employer.

(14) All moneys collected by the Department of State Police pursuant to this section shall be used to administer the provisions of this section. By March 1 of each year, the Department of State Police and the Administrative Office of the Courts shall submit reports to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the amounts of money collected and the expenditures related to this section and KRS 237.115, 244.125, 527.020, and 527.070, and the administration of the provisions of this section and KRS 237.115, 244.125, 527.020, and 527.070.

(15) The General Assembly finds as a matter of public policy that it is necessary to provide statewide uniform standards for issuing licenses to carry concealed firearms and to occupy the field of regulation of the bearing of concealed firearms to ensure that no person who qualifies under the provisions of this section is denied his rights. The General Assembly does not delegate to the Department of State Police the authority to regulate or restrict the issuing of licenses provided for in this section beyond those provisions contained in this section. This section shall be liberally construed to carry out the constitutional right to bear arms for self-defense.

(16) (a) A person who has a valid license issued by another state of the United States to carry a concealed deadly weapon in that state[~~ and whose state grants to Kentucky residents the right to carry a concealed deadly weapon in the~~

~~state of the licensee without requiring a separate license to carry a concealed deadly weapon issued by that state,]~~ may, subject to provisions of Kentucky law, carry a concealed deadly weapon in Kentucky, and his license shall be considered as valid in Kentucky.

(b) A person who holds a valid license issued by another state of the United States ~~[whose home state permits Kentucky residents to obtain a license to carry a concealed deadly weapon in that state]~~ may apply directly to the Department of State Police for a license to carry concealed deadly weapons in Kentucky. The Department of State Police shall take whatever steps are necessary to verify that the person applying has a valid license to carry a concealed deadly weapon issued by his home state.

(c) The Department of State Police shall, not later than thirty (30) days after the effective date of this amendment and not less than once every six (6) months thereafter, make written inquiry of the concealed deadly weapon carrying licensing authorities in each other state as to whether a Kentucky resident may carry a concealed deadly weapon in their state based upon having a valid Kentucky concealed deadly weapon license, or whether a Kentucky resident may apply for a concealed deadly weapon carrying license in that state based upon having a valid Kentucky concealed deadly weapon license. The Department of State Police shall attempt to secure from each other state permission for Kentucky residents who hold a valid Kentucky concealed deadly weapon license to carry concealed deadly weapons in that state, either on the basis of the Kentucky license or on the basis that the Kentucky license is sufficient to permit the issuance of a similar license by the other state. The Department of State Police shall enter into a written reciprocity agreement with the appropriate agency in each state that agrees to permit Kentucky residents to carry concealed deadly weapons in the other state on the basis of a Kentucky-issued concealed deadly weapon license or that will issue a license to carry concealed deadly weapons in the other state based upon a Kentucky concealed deadly weapon license. If a reciprocity agreement is reached, the requirement to recontact the other state each six (6) months shall be eliminated as long as the reciprocity agreement is in force. The information shall be a public record and shall be available to individual requesters free of charge for the first copy and at the normal rate for open records requests for additional copies.

(17) By March 1 of each year, the Department of State Police shall submit a statistical report to the Governor, the President of the Senate, and the Speaker of the House of Representatives, indicating the number of licenses issued, revoked, suspended, and denied since the previous report and in total and also the number of licenses currently valid. The report shall also include the number of arrests, convictions, and types of crimes committed since the previous report by individuals licensed to carry concealed weapons.

(d) The procuring agency shall then begin negotiations with the top-ranked firm pursuant to subsection (9) of this section.

(8) (a) When the Finance and Administration Cabinet is procuring architectural services for an estimated fee of fifty thousand dollars ($50,000) or more or engineering ***or engineering-related*** services for an estimated fee of one hundred thousand dollars ($100,000) or more, this subsection and subsection (9) of this section shall govern the procurement process.

However, this penalty shall be waived if the tax bill is paid within five (5) days of the tax bill being declared delinquent. Section 1. KRS 161.185 is amended to read as follows:

(1) Except as provided in subsection (2), boards of education shall require a member of the school faculty or a member of the administrative staff to accompany students on all school-sponsored or school-endorsed trips.

(2) Boards of education may permit a nonfaculty coach or nonfaculty assistant, as defined by administrative regulation promulgated by the Kentucky Board of Education under KRS 156.070(2), to accompany students on all school-sponsored or school-endorsed athletic trips. A nonfaculty coach or nonfaculty assistant shall be at least twenty-one (21) years of age, shall not be a violent offender or convicted of a sex crime as defined by KRS 17.165 which is classified as a felony, and shall submit to a criminal record check under KRS 160.380.

(3) Prior to assuming his or her duties, a nonfaculty coach or nonfaculty assistant shall successfully complete training provided by the local school district. The training shall include, but not be limited to, information on the physical and emotional development of students of the age with whom the nonfaculty coach and nonfaculty assistant will be working, the district's and school's discipline policies, procedures for dealing with discipline problems, and safety and first aid training. Follow-up training shall be provided annually.

Section 2. KRS 160.380 is amended to read as follows:

(1) As used in this section:

(a) "Relative" shall mean father, mother, brother, sister, husband, wife, son, daughter, aunt, uncle, son-in-law, and daughter-in-law.

(b) "Vacancy" shall mean any certified position opening created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member of a local school district, or a new position created in a local school district for which certification is required. However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.

(2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the Kentucky Board of Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year. No superintendent of schools shall appoint or transfer himself to another position within the school district.

(b) When a vacancy occurs in a local school district, the superintendent shall notify the chief state school officer thirty (30) days before the position shall be filled. The chief state school officer shall keep a registry of local district vacancies which shall be made available to the public. The local school district shall post position openings in the local board office for public viewing.

(c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.

(d) When a vacancy occurs in a local district, the superintendent shall conduct a search to locate minority teachers to be considered for the position. The superintendent shall, pursuant to administrative regulations of the Kentucky Board of Education, report annually the district's recruitment process and the activities used to increase the percentage of minority teachers in the district.

(e) No relative of a superintendent of schools shall be an employee of the school district. However, this shall not apply to a relative who is an employee of the school district for at least thirty-six (36) months prior to the superintendent assuming office and who is certified for the position he holds, and it shall not apply to a superintendent's spouse who has at least twenty (20) years of service in school systems. A superintendent's spouse who is employed under this provision shall not hold a position in which the spouse supervises certified or classified employees. A superintendent's spouse may supervise teacher aides and student teachers. However, the superintendent shall not promote his relative who continues employment under an exception of this subsection.

(f) No superintendent shall employ a relative of a school board member of the district, unless on July 13, 1990, the board member's relative is an employee of the district, the board member is holding office, and the relative was not initially hired by the district during the tenure of the board member. A relative employed in 1989-90 and initially hired during the tenure of a board member serving on July 13, 1990, may continue to be employed during the remainder of the board member's term. However, the superintendent shall not promote any relative of a school board member who continues employment under the exception of this subsection.

(g) No principal's relative shall be employed in the principal's school, except a relative who is not the principal's spouse and who was employed in the principal's school during the 1989-90 school year. No spouse of a principal shall be employed in the principal's school, except a principal's spouse who was employed in the principal's school during the 1989-90 school year for whom there is no position for which the spouse is certified to fill in another school operated in the district. The provisions of KRS 161.760 shall not apply to any transfer made in order to comply with the provisions of this paragraph.

(3) No superintendent shall employ in a position which involves supervisory or disciplinary power over a minor, any person who is a violent offender or has been convicted of a sex crime as defined by KRS 17.165 which is classified as a felony. The superintendent may employ, at his discretion, persons convicted of sex crimes classified as a misdemeanor. Each superintendent shall request all conviction information for any applicant for initial employment from the Justice Cabinet prior to employing the applicant.

(4) (a) If a school term has begun and a position remains unfilled or if a vacancy occurs during a school term, a superintendent may employ an individual, who will have supervisory or disciplinary authority over minors, on probationary status pending receipt of the required records. Application for the criminal record of a probationary employee shall be made no later than the date probationary employment begins.

(b) Employment shall be contingent on the receipt of records documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

(c) Notwithstanding KRS 161.720 to 161.800 or any other statute to the contrary, probationary employment under this section shall terminate on receipt by the district of a record documenting a criminal act as defined above and no further procedures shall be required.

(5) Each application or renewal form, provided by the employer to the applicant, shall conspicuously state the following: "FOR THIS TYPE OF EMPLOYMENT, STATE LAW REQUIRES A CRIMINAL RECORD CHECK AS A CONDITION OF EMPLOYMENT."

(6) Any request for records under subsection (3) of this section shall be on a form approved by the Justice Cabinet, and the cabinet may charge a fee to be paid by the applicant in an amount no greater than the actual cost of processing the request.

(7) The provisions of this section shall apply to all applicants for initial employment in a position which involves supervisory or disciplinary power over a minor after July 15, 1988. Initial employment shall include first time applicants and applicants who were former employees of the district but have not been employed by the district for six (6) months.

(8) The provisions of subsections (4), (5), (6), and (7) shall apply to a nonfaculty coach or nonfaculty assistant as defined under Section 1 of this Act.

(c) The department shall provide transition data on deaf and hard of hearing students who graduate from high school to determine their rate of success as compared to their hearing peers.

(a) The state board or its designated agency shall assure through promulgation of administrative regulations that if a secondary school sponsors or intends to sponsor an athletic activity or sport that is similar to a sport for which National Collegiate Athletic Association members offer an athletic scholarship, the school shall sponsor the athletic activity or sport for which a scholarship is offered. The administrative regulations shall specify which athletic activities are similar to sports for which National Collegiate Athletic Association members offer scholarships.

(b) The state board or any agency designated by the state board to manage interscholastic athletics shall not promulgate rules, administrative regulations, or bylaws which prohibit pupils in grades seven (7) to eight (8) from participating in any high school sports except for high school varsity wrestling, soccer, and football, or from participating on more than one (1) school-sponsored team at the same time in the same sport. The Kentucky Board of Education, or an agency designated by the board to manage interscholastic athletics, may promulgate administrative regulations restricting, limiting, or prohibiting participation in high school varsity wrestling, soccer, and football for students who have not successfully completed the eighth grade.

(c) Any student who turns nineteen (19) years of age prior to August 1 shall not be eligible for high school athletics in Kentucky. Any student who turns nineteen (19) years of age on or after August 1 shall remain eligible for that school year only.

The lease may be for any initial term commencing with the date of the lease and ending with the next ensuing June 30, which is the close of the then-current fiscal biennium of the Commonwealth, with exclusive options in favor of the board to renew the same for successive ensuing bienniums, July 1 in each even year to June 30 in the next ensuing even year; and the rentals may be fixed at the sums in each biennium, if renewed, sufficient to enable the State Property and Buildings Commission to pay therefrom the maturing principal of and interest on, and provide reserves for, any revenue bonds which the State Property and Buildings Commission may determine to be necessary and sufficient, in agreement with the board, to provide the cost of acquiring the television and related facilities, with appurtenances, and costs as may be incident to the issuance of the bonds.

1. a. Procedures for developing an ungraded primary program as defined in KRS 158.030 which shall be implemented by the beginning of the 1992-93 school year, and the program, in its entirety, shall be fully implemented for all students who have not entered the fourth grade in every elementary school in every district by the beginning of the 1993-1994 school year, except as provided in subparagraph 1.b. of this paragraph. The primary program shall include the following critical attributes: developmentally appropriate educational practices, multiage and multiability classrooms; continuous progress; authentic assessment; qualitative reporting methods; professional teamwork; and positive parent involvement. b. A school council established pursuant to KRS 160.345 or if none exists, a school may determine, based on individual student needs, that implementing multiage and multiability classrooms need not apply for every grouping of students for every activity throughout the entire day. The school council or school shall revise the action plan to reflect any changes in the primary program's design.

2. The courses of study for students shall include American sign language which shall be accepted as meeting the foreign language requirements in common schools notwithstanding other provisions of law;

The administrative regulations shall permit a student who received a physical examination no more than six (6) months prior to his initial admission to Head Start to substitute that physical examination for the physical examination required by the Kentucky Board of Education of all students upon initial admission to the public schools, if the physical examination given in the Head Start program meets all the requirements of the physical examinations prescribed by the Kentucky Board of Education;

(g) The transportation of children to and from school;

(h) The fixing of holidays on which schools may be closed and special days to be observed, and the pay of teachers during absence because of sickness or quarantine or when the schools are closed because of quarantine;

(b) "Vacancy" shall mean any certified position opening created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member of a local school district, or a new position created in a local school district for which certification is required. However, if an employer-employee bargained contract contains procedures for filling certified position openings created by the resignation, dismissal, nonrenewal of contract, transfer, or death of a certified staff member, or creation of a new position for which certification is required, a vacancy shall not exist, unless certified positions remain open after compliance with those procedures.

(2) (a) All appointments, promotions, and transfers of principals, supervisors, teachers, and other public school employees shall be made only by the superintendent of schools, who shall notify the board of the action taken. All employees of the local district shall have the qualifications prescribed by law and by the administrative regulations of the Kentucky Board of Education and of the employing board. Supervisors, principals, teachers, and other employees may be appointed by the superintendent for any school year at any time after February 1 preceding the beginning of the school year. No superintendent of schools shall appoint or transfer himself to another position within the school district.

(b) When a vacancy occurs in a local school district, the superintendent shall notify the chief state school officer thirty (30) days before the position shall be filled. The local school district shall post position openings in the local board office for public viewing.

(c) When a vacancy needs to be filled in less than thirty (30) days' time to prevent disruption of necessary instructional or support services of the school district, the superintendent may seek a waiver from the chief state school officer. If the waiver is approved, the appointment shall not be made until the person recommended for the position has been approved by the chief state school officer. The chief state school officer shall respond to a district's request for waiver or for approval of an appointment within two (2) working days.

(d) When a vacancy occurs in a local district, the superintendent shall conduct a search to locate minority teachers to be considered for the position. probationary status pending receipt of the required records. Application for the criminal record of a probationary employee shall be made no later than the date probationary employment begins.

(b) Employment shall be contingent on the receipt of records documenting that the probationary employee has no record of a sex crime nor as a violent offender as defined in KRS 17.165.

(5) Each application or renewal form, provided by the employer to the applicant, shall conspicuously state the following: "FOR THIS TYPE OF EMPLOYMENT, STATE LAW REQUIRES A CRIMINAL RECORD CHECK AS A CONDITION OF EMPLOYMENT."

(6) Any request for records under subsection (3) of this section shall be on a form approved by the Justice Cabinet, and the cabinet may charge a fee to be paid by the applicant in an amount no greater than the actual cost of processing the request.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

Section 1. KRS 189A.005 is amended to read as follows:

As used in this chapter, unless the context requires otherwise:

(1) "Alcohol concentration" means either grams of alcohol per ***one hundred (100)***[~~100~~] milliliters of blood or grams of alcohol per ***two hundred ten (210)***[~~210~~] liters of breath***, or grams of alcohol per sixty-seven (67) milliliters of urine, as measured within a reasonable time of operation or physical control. Two (2) hours shall be considered a reasonable time after operation or physical control and the court shall have discretion to determine if a longer period is reasonable***;

(2) "Refusal" means declining to submit to any test or tests pursuant to KRS 189A.103. Declining may be either by word or by the act of refusal. If the breath testing instrument ***measures***[~~for any reason shows~~] an insufficient breath sample ***not due to the defendant's failure to blow sufficiently into the instrument*** and the alcohol concentration cannot be measured by the breath testing instrument, the law enforcement officer shall then request the defendant to take a blood or urine test in lieu of the breath test. If the defendant***, without medical cause therefor, fails to blow sufficiently into the instrument or declines, by any word or act, to take a blood, breath, or urine test, the defendant***[~~then declines either by word or by the act of refusal, he~~] shall then be deemed to have refused***. A refusal, to be valid for purposes of this chapter, must occur either at a detention facility or at the site at which any alcohol concentration test is to be administered***;[~~ and~~]

(3) When age is a factor, it shall mean age at the time of the commission of the offense***;***

(4) "Cabinet" means the Transportation Cabinet;

(5) "License" means any drivers or operators license or any other license or permit to operate a motor vehicle issued under, or granted by the laws of this state including:

(a) Any temporary license or instruction permit;

(b) The privilege of any person to drive a motor vehicle whether or not the person holds a valid license;

(c) Any nonresident's operating privilege as defined in KRS Chapters 186 or 189.

(6) "Vehicle" means every device in, upon or by which any person or property is or may be transported excepting devices moved by human power and animal power or used exclusively upon stationary rails, or tracks, boat, or aircraft.

(7) "Blood," in addition to the ordinary meaning, shall also include all component parts of blood from which an alcohol concentration can be measured.

(8) "Officer," for the purpose of this chapter, includes a jailer or deputy jailer, if that person is the person who administers a breath test, using an instrument supplied by the state.

(9) "Physical injury" shall have the same meaning as defined in KRS 500.080.

Section 2. KRS 189A.010 is amended to read as follows:

(1) A person***, if twenty-one (21) years of age or older at the time of the commission of the offense,*** shall not operate or be in physical control of a[~~ motor~~] vehicle anywhere in this state:

(a) While the alcohol concentration in his blood***,***[~~or~~] breath***, or urine*** is ***0.08***[~~0.10~~] or more based on the definition of alcohol concentration in KRS 189A.005 ***as determined at the time of testing***;

(b) While under the influence of alcohol;

(c) While under the influence of any other substance or combination of substances which impairs one's driving ability;

(d) While under the combined influence of alcohol and any other substance which impairs one's driving ability; or

(e) While ***having any measurable quantity***[~~the alcohol concentration~~] in his blood ***of a Schedule I or II substance as set forth in KRS 218A.050, it is a defense to this subsection that the driver consumed the controlled substance from Schedule II under a valid prescription or order of a practitioner as authorized by KRS Chapter 218A who acted in the course of the practitioner's professional practice and which amount of controlled substance did not exceed prescribed therapeutic doses and which did not impair the defendant's driving ability***[~~or breath is 0.02 or more based on the definition of alcohol concentration in KRS 189A.005 if the person is under the age of twenty-one (21)~~].

(2) ***(a)*** In any prosecution for a violation of subsection (1)(b) or (d) of this section in which the defendant is charged with having operated or been in physical control of a[~~ motor~~] vehicle while under the influence of alcohol, the alcohol concentration in the defendant's blood as determined at the time of making analysis of his blood,[~~ or~~] breath***, or urine*** shall give rise to the following presumptions:

1.[~~(a)~~] If there was an alcohol concentration of less than 0.05 based upon the definition of alcohol concentration in KRS 189A.005, it shall be presumed that the defendant was not under the influence of alcohol; and

2.[~~(b)~~] If there was an alcohol concentration of 0.05 or greater but less than ***0.08***[~~0.10~~] based upon the definition of alcohol concentration in KRS 189A.005, that fact shall not constitute a presumption that the defendant either was or was not under the influence of alcohol, but that fact may be considered, together with other competent evidence, in determining the guilt or innocence of the defendant.

(b) The provisions of this subsection shall not be construed as limiting the introduction of any other competent evidence bearing upon the questions of whether the defendant was under the influence of alcohol or other substances, in any prosecution for a violation of subsection (1)(b) or (d) of this section.

(c)[~~(3)~~]***Except as provided in subsection (1)(e) of this section,*** the fact that any person charged with violation of subsection (1) of this section is legally entitled to use any substance, including alcohol, shall not constitute a defense against any charge of violation of subsection (1) of this section.

(d) For a fourth or subsequent offense within a five (5) year period, be guilty of a Class D felony.

(e) For purposes of this ***chapter***[~~subsection~~], prior offenses shall include all convictions in this state, and any other state, or jurisdiction for operating or being in control of a motor vehicle while under the influence of alcohol or other substances that impair one's driving ability, or any combination of alcohol and such substances, or while having an unlawful alcohol concentration, ***or any measurable quantity of a Schedule I or II controlled substance*** or ***operating a vehicle***[~~driving~~] while intoxicated[~~, but shall not include convictions for violating subsection (1)(e) of this section. A court shall receive as proof of a prior conviction a copy of that conviction, certified by the court ordering the conviction.~~

~~(5) Any person who violates the provisions of subsection (1)(e) of this section shall have his driving privilege or operator's license suspended by the court for a period of no less than thirty (30) days but no longer than six (6) months, and the person shall be fined no less than one hundred dollars ($100) and no more than five hundred dollars ($500), or sentenced to twenty (20) hours of community service in lieu of a fine. A person subject to the penalties of this paragraph shall not be subject to the penalties established in subsection (4) of this section or any other penalty established pursuant to KRS Chapter 189A.~~

~~(6) If the person is under the age of twenty one (21) and there was an alcohol concentration of 0.10 or greater based on the definition of alcohol concentration in KRS 189A.005, the person shall be subject to the penalties established pursuant to subsection (4) of this section~~].

(4)[~~(7)~~] For a second or third offense within a five (5) year period, the minimum sentence of imprisonment or community labor shall not be suspended, probated, or subject to conditional discharge or other form of early release. For a fourth or subsequent offense under this section, the minimum term of imprisonment shall be one hundred twenty (120) days, and this term shall not be suspended, probated, or subject to conditional discharge or other form of early release. For a second or subsequent offense, at least forty-eight (48) hours of the mandatory sentence shall be served consecutively.

(5)[~~(8)~~] When sentencing persons under subsection (4)(a) of this section at least one (1) of the penalties shall be assessed and that penalty shall not be suspended, probated, or subject to conditional discharge or other form of early release.

(6)[~~(9)~~] In determining the five (5) year period under this section, the period shall be measured from the dates on which the offenses occurred for which the judgments of conviction were entered.

(b) The entire recording is shown in court unless the defendant waives the showing of any portions not offered by the prosecution; and

SECTION 7. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) The cabinet shall revoke the license of any person upon its determination that the person drove or was in actual physical control of a vehicle while:

(a) The alcohol concentration in the blood, breath, or urine of the person who is charged with a violation of KRS 189A.010(1) or subsection (1) of Section 3 of this Act was 0.08 or more;

(b) The alcohol concentration in the blood, breath, or urine of the person charged with a violation of KRS 281A.210 was 0.04 or more;

(c) The alcohol concentration in the blood, breath, or urine of the person charged with a violation of KRS Section 3(1)(f) of this Act was at least 0.02 and less than 0.08;

(d) The person refused to take an alcohol concentration test; or

(e) The person, subsequent to an accident resulting, in an injury refused to provide a blood, breath, or urine sample to be tested for the use of a substance or combination of substances which impairs one's driving ability where there was a reasonable suspicion that impairing substances were involved.

(2) The cabinet shall make a determination of these facts on the basis of the report of an officer required in Section 8 of this Act, and this determination shall be final unless an administrative review, pursuant to Section 13 of this Act, or a hearing, pursuant to Section 14 of this Act, rescinds the order of revocation.

(3) The determination of these facts by the cabinet is independent of the determination of the same or similar facts in the adjudication of any criminal charges arising out of the same occurrence. The disposition of those criminal charges shall not affect any revocation under this section.

SECTION 8. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Unless the physical condition of the offender prevents an arrest or breath testing, an officer who arrests any person

for a violation of KRS 189A.010(1), subsection (1) of Section 3 of this Act, KRS 281A.210 or any person who has refused to submit to any test or tests pursuant to KRS 189A.103, shall, within three (3) working days, forward to the cabinet:

(a) A sworn report of all information relevant to the enforcement action, including information which adequately identifies the arrested person;

(b) A statement of the officer's grounds for belief that the person violated KRS 189A.010(1), subsection (1) of Section 3 of this Act, KRS 281A.210, or KRS 189A.103;

(c) A report of the results of any chemical tests which were conducted;

(d) A statement that the person refused an alcohol concentration test; and

(e) A copy of the citation and complaint filed with the court.

(2) The report required by this section shall be made on forms supplied by the cabinet or in a manner specified by administrative regulations of the cabinet.

(3) Failure of the officer to submit the report shall have no effect on prosecution of the offense or license revocation actions.

(4) Failure of the officer to submit the report within the time specified shall be a violation of KRS 522.030.

(5) If, subsequently evidence of blood, breath, or urine tests done by hospital or medical personnel become available and show a blood alcohol level in violation of KRS 189A.010 or Section 3 of this Act, the officer shall submit, within three (3) days of receiving the report, a copy of the report to the cabinet for any action authorized by law with regard to administrative license revocation.

SECTION 9. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Whenever a person has either refused an alcohol concentration test and is being charged with a violation of KRS 189A.103; or the chemical test results for a person being charged with a violation of KRS 189A.010(1) or subsection (1) of Section 3 of this Act; or the person is being charged with a violation of KRS 281A.210, the officer, supervising or conducting the testing specified in this section, acting on behalf of the cabinet, shall serve the notice of revocation personally or by certified mail on the arrested person.

(2) When the officer serves the notice of revocation, the officer shall take possession of any operator's license that is held by the person. When the officer takes possession of the operator's license, the officer, acting on behalf of the cabinet, shall issue a temporary permit which is valid for fifteen (15) days after its date of issuance, except that no temporary permit shall be issued if the officer determines that:

(a) The person is charged with a second or subsequent offense; or

(b) The person has refused the test under KRS 189A.103; or

(c) The person was driving under a suspended license; or

(d) The person, in the operation of the vehicle, caused death or physical injury to another person.

(3) The cabinet shall immediately revoke a temporary permit and retain the operator's license if the cabinet, upon administrative review, determines that:

(a) The person is charged with a second or subsequent offense; or

(b) The person has refused the test under KRS 189A.103; or

(c) The person was driving under a suspended license; or

(d) The person, in the operation of the vehicle, caused death or physical injury to another person.

(4) A copy of the completed notice of revocation form, a copy of any completed temporary permit form, and any operator's license taken into possession under this section, shall be forwarded immediately to the cabinet by the officer.

(5) If the license received by the cabinet under this section has been issued by a state other than this state, the cabinet shall notify forthwith the issuing state of this fact.

(6) The cabinet shall provide forms for notice of revocation and for temporary permits to law enforcement agencies, or in a manner specified by regulations of the cabinet.

(7) The notice of revocation served by the officer shall contain the same information as required by subsection (3) of Section 10 of this Act.

SECTION 10. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Upon receipt of the report of the officer, the cabinet shall make the determination described in Section 13 of this Act. If the cabinet determines that the person is subject to license revocation, and if notice of revocation has not already been served upon the person by the officer as required in Section 9 of this Act, the cabinet shall issue a

notice of revocation.

(2) The notice of revocation shall be mailed to the person at the last known address shown on the cabinet's records, and to the address provided by the officer's report if that address differs from the address of record. The notice is deemed received three (3) days after mailing.

(3) The notice of revocation shall clearly specify the reason and statutory grounds for the revocation, the effective date of the revocation, the right of the person for an administrative review, the procedure for requesting a hearing, and the date by which a request for a hearing shall be made in order to receive a determination prior to the effective date of the revocation.

(4) If the cabinet determines that the person is not subject to license revocation, the cabinet shall notify the person of its determination and shall rescind any order of revocation served upon the person by the officer.

(5) Where a person's license was issued by a state other than this state, the cabinet shall notify the issuing state of the final disposition.

SECTION 11. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Unless the license has been revoked by the cabinet under Section 9 of this Act or has been reinstated by the cabinet, the license revocation shall become effective fifteen (15) days after the subject person has received the notice of revocation as provided in Section 9 of this Act or is deemed to have received the notice of revocation by mail as provided in Section 10 of this Act.

(2) The period of license revocation shall be as follows:

- *(a) If the person was charged with a violation of KRS 281A.210 the period shall be ninety (90) days if the person's driving record shows no prior alcohol or drug related enforcement contacts during the immediately preceding five (5) years.*
- *(b) If the person was charged with a violation of KRS 189A.010(1) or Section 3 of this Act the period shall be sixty (60) days, if the person's driving record shows no prior alcohol or drug related enforcement contacts during the immediate preceding five (5) years.*
- *(c) If the person has refused to take an alcohol test in accordance with KRS 189A.103 the period shall be one hundred eighty (180) days if the person's driving record shows no prior alcohol or drug related enforcement contacts during the immediately preceding five (5) years.*
- *(d) The period shall be one (1) year if the person's driving record shows one (1) prior alcohol or drug related enforcement contact during the immediately preceding five (5) years.*
- *(e) For purposes of this section, "alcohol or drug related enforcement contacts" means any revocation under Section 9 or 10 of this Act, any suspension or revocation entered in this or any other state for a refusal to submit to chemical testing under an implied consent law, and any conviction in this or any other state for a violation that involves driving a vehicle while having an unlawful alcohol concentration, or while under the influence of alcohol, drugs, or alcohol and drugs.*
- *(f) A person under the age of eighteen (18), who is charged with a violation of subsection (1) of Section 3 of this Act, shall have his license revoked until he reaches the age of eighteen (18) or shall have his license revoked as provided in subsection (2)(b) of this section, whichever penalty will result in the longer period of revocation.*

(3) When a license is revoked as provided by this section and the person is also convicted on criminal charges arising out of the same occurrence for a violation of KRS 189A.010(1), Section 3 of this Act, or KRS 281A.210, both the revocation as provided by section and the revocation under KRS 281A.190 shall be imposed, but the periods of revocation shall run concurrently, and the total period of revocation shall not exceed the longer of the two (2) revocation periods.

SECTION 12. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) The periods of revocation specified by Section 11 of this Act are intended to be mandatory periods of revocation for the described conduct. No license shall be restored under any circumstances during the revocation period, nor shall any restricted or hardship permit be issued.

(2) Following a license revocation, the cabinet shall not issue a new license or otherwise restore the driving privilege unless and until the person presents evidence satisfactory to the cabinet that the person has complied with the applicable section of KRS 189A.040 and Section 5 of this Act. No driving privilege may be restored until all applicable reinstatement fees have been paid.

SECTION 13. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Any person who has received a notice of revocation under Section 9 or 10 under this Act shall receive notice of an administrative review. The notice shall notify the person of his right to submit any statement or statements or any

other relevant evidence that the person wants the cabinet to consider in reviewing the determination made under Section 9 of this Act.

(2) When the administrative review is made, the cabinet shall review the determination made under Section 9 of this Act. In the review, the cabinet shall give consideration to any relevant statement or other evidence submitted by the person and to the sworn statement of the officer required by Section 9 of this Act. If the cabinet determines, by a preponderance of the evidence, that the person drove or was in actual physical control of a vehicle either while having an alcohol concentration of 0.08 or more if charged with a violation of KRS 189A.010, or an alcohol concentration of 0.04 or more if charged with a violation of KRS 281A.210, or an alcohol concentration of 0.02 or more if charged with a violation of subsection (1) of Section 3 of this Act, or refused to submit to an alcohol concentration test, the cabinet shall sustain the order of revocation. If the evidence does not support such a determination, the cabinet shall rescind the order of revocation. The determination of the cabinet upon administrative review is final unless a hearing is requested under Section 14 of this Act.

(3) The cabinet shall make a determination upon administrative review prior to the effective date of the revocation order. Where the person submits additional information for the administrative review and this information is received by the cabinet more than eight (8) days following service of the notice of revocation, the cabinet shall make its determination within seven (7) days following the receipt of the information.

(4) The administrative review does not stay the license revocation. If the cabinet is unable to make a determination within the time limits specified in subsection (3) of this section, it may stay the revocation pending that determination.

(5) The submission of information for administrative review may be made by mail or in person or at any office of the cabinet. The cabinet shall provide forms which the person may use in the administrative review or the person may submit any statement, but use of the forms is not required.

(6) A person may request and be granted a hearing under Section 14 of this Act without an administrative review under this section. Administrative review is not available after a hearing is requested.

SECTION 14. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Any person who has received a notice of revocation may, within ten (10) days of the receipt of the notice of revocation, make a written request for a review of the cabinet's determination at a hearing. The request may be made on a form available at each office of the cabinet and shall be accompanied by payment of a fee not to exceed seventy-five dollars ($75), which is to be deposited in a trust and agency account, which shall not lapse, to be used for the purpose of implementing, administering and defending Sections 7, 8, 9, 10, 11, 12, 13, 14 and 15 of this Act. If the person's operators license has not been previously surrendered, it shall be surrendered at the time the request for a hearing is made. A request for a hearing does not stay the license revocation.

(2) The hearing shall be scheduled to be held as quickly as practicable within not more than twenty (20) days of the filing of the request for a hearing. The hearing shall be held, by the cabinet, in the county, as close as practicable to where the arrest occurred, unless the parties agree to a different location. The cabinet shall provide a written notice of the time, date, and place of the hearing to the party requesting the hearing at least ten (10) days prior to the scheduled hearing, unless both parties agree to waive this requirement. The notice shall also include the name, official title, and mailing address of the hearing officer and a statement of the factual basis for the agency's action along with a statement of the issues involved; it shall advise the person of his right to counsel.

(3) The presiding hearing officer shall be an authorized representative of the cabinet. The presiding hearing officer shall have authority to administer oaths and affirmations; to examine witnesses and take testimony; to receive relevant evidence; to issue subpoenas, take depositions, or cause depositions or interrogatories to be taken; to regulate the course and conduct of the hearing; and to make a final ruling on the issue.

(4) A hearing officer may conduct all or part of an administrative hearing, or a prehearing conference, by telephone, video teleconferencing, or other electronic means, if each party to the hearing agrees in writing prior to the commencement of the hearing.

(5) The sole issue at the hearing shall be whether by a preponderance of the evidence the person drove or was in actual physical control of a vehicle while either having an alcohol concentration of 0.08 or more if charged with a violation of KRS 189A.010(1)(a) to (e), or an alcohol concentration of 0.04 or more if charged with a violation of KRS 281A.210, or an alcohol concentration of 0.02 or more if charged with a violation of subsection (1) of Section 3 of this Act, or refused to submit to an alcohol concentration test. If the presiding hearing officer finds that all of the requirements for revocation have been met, the revocation order shall be sustained. If the presiding hearing officer finds that the requirements for revocation have not been met, the revocation order shall be rescinded.

(6) The hearing shall be recorded. Either party may request, at the party's own expense, a transcript of the hearing. The decision of the presiding hearing officer shall be rendered in writing and shall contain a finding of fact. A copy will be provided to the person who requested the hearing. The final decision shall be rendered within five (5) days and

shall include a statement concerning the person's right of appeal.

(7) The notice provided the persons shall state that if the person who requested the hearing fails to appear without just cause, the right to a hearing shall be waived, and the cabinet's earlier determination shall be final.

SECTION 15. A NEW SECTION OF KRS CHAPTER 189A IS CREATED TO READ AS FOLLOWS:

(1) Within thirty (30) days of the issuance of the final determination of the cabinet following a hearing under Section 14 of this Act, a person aggrieved by the determination shall have the right to file a petition in the Franklin Circuit Court or the Circuit Court in the county in which the hearing occurred for judicial review. If the hearing took place by electronic communications, it shall be deemed to have occurred where the hearing officer presided over the hearing. The filing of a petition for judicial review shall not stay the revocation order.

(2) The review shall be on the record, without taking additional testimony. If the court finds that the cabinet exceeded its authority, made an erroneous interpretation of the law, acted in an arbitrary and capricious manner, or made a determination which is unsupported by the evidence in the record, the court may reverse the cabinet's determination.

Section 16. KRS 189A.090 is amended to read as follows:

(1) No person shall operate a[~~ motor~~] vehicle while his license is revoked or suspended for violation of KRS 189A.010 ***or Section 3 of this Act***[~~, nor shall any person who has no motor vehicle or motorcycle operator's license operate a motor vehicle while his privilege to operate a motor vehicle has been revoked or suspended for a violation of KRS 189A.010~~].

Section 17. KRS 189A.103 is amended to read as follows:

The following provisions shall apply to any person who operates or is in physical control of a motor vehicle or a vehicle that is not a motor vehicle in this Commonwealth:

(1) ***A person***[~~He~~] is deemed to have given[~~ his~~] consent to one (1) or more tests of ***the person's***[~~his~~] blood, breath, and urine, or combination thereof, for the purpose of determining alcohol concentration or presence of a substance which may impair one's driving ability***.***

(2) If the defendant is involved in a physical injury where there was a reasonable suspicion that alcohol was involved or the person is,[~~if~~] arrested for any offense arising out of a violation of KRS 189A.010(1) or***, subsection (1) of Section 3 of this Act, they are also deemed to have given their consent***[~~189.520(1)~~].

(3)[~~(2)~~] Any person who is dead, unconscious, or otherwise in a condition rendering him incapable of refusal is deemed not to have withdrawn the consent provided in subsection (1) of this section, and the test may be given.

  (b) All breath tests ***utilizing the breath testing instrument supplied pursuant to KRS 189A.300*** shall be administered by ***an***[~~a peace~~] officer holding a certificate, as an operator of a breath analysis instrument, issued by the secretary of the Justice Cabinet or his designee.

(5)[~~(4)~~] A breath test shall consist of a test which is performed in accordance with the manufacturer's instructions for the use of the instrument.

(6)[~~(5)~~] When[~~ the preliminary breath test, breath test, or~~] other evidence gives the peace officer reasonable grounds to believe there is impairment by a substance which is not subject to testing by a breath test, then blood or urine tests, or both, ***shall***[~~may~~] be required in addition to a breath test, or in lieu of a breath test.

(7)[~~(6)~~] Only a physician, registered nurse, phlebotomist, medical technician, or medical technologist not otherwise prohibited by law can withdraw any blood of any person submitting to a test under this section.

(8)[~~(7)~~] ***At the conclusion of the test or tests administered at the direction of the officer,*** the person tested shall be permitted to have a person listed in subsection (6) of this section of his own choosing administer a test or tests in addition to any tests administered at the direction of the peace officer. Tests conducted under this section shall be conducted within a reasonable length of time. Provided, however, the nonavailability of the person chosen to administer a test or tests in addition to those administered at the direction of the peace officer within a reasonable time shall not be grounds for rendering inadmissible as evidence the results of the test or tests administered at the direction of the[~~ peace~~] officer.

Section 18. KRS 189A.105 is amended to read as follows:

(1) No person shall be compelled to submit to any test or tests specified in KRS 189A.103 ***or Section 7 of this Act***, but his refusal to submit to such tests shall result in revocation of his driving privilege as provided in this chapter.

(2) (a) At the time a breath, blood, or urine test is requested, the person shall be informed:

1. That, if the person refuses to submit to such tests, the person's privilege to drive shall be revoked for a period of six (6) months, or more[~~, pursuant to this chapter~~]; and

2. That, if a test is taken and the results indicate that the person has ***violated KRS 189A.010, or Section 3 of this Act, or KRS 281A.210***[~~an alcohol concentration of 0.10 or greater, or, if the person is under the influence of alcohol or a substance that impairs one's driving ability or a combination of alcohol and such substance~~], the person shall be subject to criminal penalties and the person's driving license shall be revoked for ***the***[~~a~~] period ***set forth by statute***[~~of at least ninety (90) days~~]; and

Section 1. KRS 189A.010 is amended to read as follows:

(1) A person shall not operate or be in physical control of a motor vehicle anywhere in this state:

(a) While the alcohol concentration in his blood or breath is ***0.08***~~[0.10]~~ or more based on the definition of alcohol concentration in KRS 189A.005;

(b) While under the influence of alcohol;

(c) While under the influence of any other substance or combination of substances which impairs one's driving ability;

(d) While under the combined influence of alcohol and any other substance which impairs one's driving ability; or

(e) While the alcohol concentration in his blood or breath is 0.02 or more based on the definition of alcohol concentration in KRS 189A.005 if the person is under the age of twenty-one (21).

(2) In any prosecution for a violation of subsection (1)(b) or (d) of this section in which the defendant is charged with having operated or been in physical control of a motor vehicle while under the influence of alcohol, the alcohol concentration in the defendant's blood as determined at the time of making analysis of his blood, or breath shall give rise to the following presumptions:

(a) If there was an alcohol concentration of less than 0.05 based upon the definition of alcohol concentration in KRS 189A.005, it shall be presumed that the defendant was not under the influence of alcohol; and

(b) If there was an alcohol concentration of 0.05 or greater but less than ***0.08***~~[0.10]~~ based upon the definition of alcohol concentration in KRS 189A.005, that fact shall not constitute a presumption that the defendant either was or was not under the influence of alcohol, but that fact may be considered, together with other competent evidence, in determining the guilt or innocence of the defendant.

The provisions of this subsection shall not be construed as limiting the introduction of any other competent evidence bearing upon the questions of whether the defendant was under the influence of alcohol or other substances, in any prosecution for a violation of subsection (1)(b) or (d) of this section.

(3) The fact that any person charged with violation of subsection (1) of this section is legally entitled to use any substance, including alcohol, shall not constitute a defense against any charge of violation of subsection (1) of this section.

(4) Any person who violates the provisions of paragraphs (a), (b), (c) or (d) of subsection (1) of this section shall:

(a) For the first offense within a five (5) year period, be fined not less than two hundred dollars ($200) nor more than five hundred dollars ($500) or be imprisoned in the county jail for not less than forty-eight (48) hours nor more than thirty (30) days or both. Following sentencing, the defendant may apply to the judge for permission to enter a community labor program for not less than forty-eight (48) hours nor more than thirty (30) days in lieu of fine or imprisonment, or both.

(b) For the second offense within a five (5) year period, be fined not less than three hundred fifty dollars ($350) nor more than five hundred dollars ($500) and shall be imprisoned in the county jail for not less than seven (7) days nor more than six (6) months and, in addition to fine and imprisonment, may be sentenced to community labor for not less than ten (10) days nor more than six (6) months.

(c) For a third offense within a five (5) year period, be fined not less than five hundred dollars ($500) nor more than one thousand ($1,000) and shall be imprisoned in the county jail for not less than thirty (30) days nor more than twelve (12) months and may, in addition to fine and imprisonment, be sentenced to community labor for not less than ten (10) days nor more than twelve (12) months.

(d) For a fourth or subsequent offense within a five (5) year period, be guilty of a Class D felony.

(e) For purposes of this subsection, prior offenses shall include all convictions in this state, and any other state, or jurisdiction for operating or being in control of a motor vehicle while under the influence of alcohol or other substances that impair one's driving ability, or any combination of alcohol and such substances, or while having an unlawful alcohol concentration, or driving while intoxicated, but shall not include convictions for violating subsection (1)(e) of this section. A court shall receive as proof of a prior conviction a copy of that conviction, certified by the court ordering the conviction.

(5) Any person who violates the provisions of subsection (1)(e) of this section shall have his driving privilege or operator's license suspended by the court for a period of no less than thirty (30) days but no longer than six (6) months, and the person shall be fined no less than one hundred dollars ($100) and no more than five hundred dollars ($500), or sentenced to twenty (20) hours of community service in lieu of a fine. A person subject to the penalties of this paragraph shall not be subject to the penalties established in subsection (4) of this section or any other penalty established pursuant to KRS Chapter 189A.

(6) If the person is under the age of twenty-one (21) and there was an alcohol concentration of ***0.08***[~~0.10~~] or greater based on the definition of alcohol concentration in KRS 189A.005, the person shall be subject to the penalties established pursuant to subsection (4) of this section.

(7) For a second or third offense within a five (5) year period, the minimum sentence of imprisonment or community labor shall not be suspended, probated, or subject to conditional discharge or other form of early release. For a fourth or subsequent offense under this section, the minimum term of imprisonment shall be one hundred twenty (120) days, and this term shall not be suspended, probated, or subject to conditional discharge or other form of early release. For a second or subsequent offense, at least forty-eight (48) hours of the mandatory sentence shall be served consecutively.

(8) When sentencing persons under subsection (4)(a) of this section at least one (1) of the penalties shall be assessed and that penalty shall not be suspended, probated, or subject to conditional discharge or other form of early release.

(9) In determining the five (5) year period under this section, the period shall be measured from the dates on which the offenses occurred for which the judgments of conviction were entered.

Section 2. KRS 189A.040 is amended to read as follows:

(1) In addition to any other penalty prescribed by subsection (4)(a) of KRS 189A.010, the court shall sentence the person to attend an alcohol or substance abuse education or treatment program subject to the following terms and conditions for a first offender:

A person deemed a persistent offender under this subsection is also prohibited from receiving any monetary benefit from the activities of construction firms in which the person has a financial interest during this period.

(b) Certifications, or certifications for renewal, issued under Sections 1 to 6 of this Act shall be valid for one (1) year from the date of issuance.

SECTION 6. A NEW SECTION OF KRS CHAPTER 198B IS CREATED TO READ AS FOLLOWS:

Sections 1 to 6 of this Act may be cited as the Contractor Certification Act.

Section 7. KRS 198B.060 is amended to read as follows:

(1) Each local government in the State of Kentucky shall employ a building official or inspector and other code enforcement personnel as necessary, or shall contract for inspection and code enforcement services in accordance with subsections (8) and (11) of this section to enforce the Uniform State Building Code within the boundaries of its jurisdiction, and shall neither adopt nor enforce any other ordinance regulating buildings which conflicts with the Uniform State Building Code, except that a building code adopted by a local government prior to March 28, 1978, may continue in effect until the time the Uniform State Building Code becomes mandatory within that local government jurisdiction.

(2) Local governments shall be responsible for the examination and approval or disapproval of plans and specifications for churches having a capacity of four hundred (400) or less persons, and six thousand (6,000) or less square feet of total floor area, and buildings of no more than three (3) stories in height, exclusive of attic and basement, which do not contain more than twenty thousand (20,000) square feet of floor area, and are not intended for educational, institutional, or high hazard occupancy; or assembly, business, or industrial occupancy in excess of one hundred (100) persons, except churches as stated in this subsection, or for use as a frozen food locker plant as defined in KRS 221.010. Local governments shall be responsible for the issuance and revocation of building permits, licenses, certificates, and similar documents which cover activities within their area of responsibility, and the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. Each local government issuing a building or demolition permit or an initial certificate of occupancy on a new structure shall send a copy of the permit or certificate to the commissioner for his use in maintaining an accurate housing inventory for Kentucky.

(3) Urban-county governments may determine service districts within their boundaries within which farm dwellings and other farm buildings, not used in the business of retail trade or as a place of regular employment for ten (10) or more

people, shall be exempt from the requirements of the Uniform State Building Code. The determination may be reviewed and altered by the board.

(4) The department shall be responsible for the examination and approval or disapproval of plans and specifications for all buildings which are not the responsibility of local governments. The department may issue and revoke permits, licenses, certificates, and similar documents within its area of responsibility, and shall have concurrent jurisdiction with local governments for the inspection of all buildings pursuant to the provisions of this chapter and the Uniform State Building Code. If the commissioner determines that the local jurisdiction is not adequately performing any portion of its program, he may recommend to the board that the department preempt that portion of a local program. The commissioner shall explain his reasons for preemption in writing and provide a copy to the board and the local jurisdiction. The local jurisdiction may appeal the recommended preemption directly to the board, and the board shall review the appeal according to the procedures found in subsections (8) to (10) of KRS 198B.070. No preemption by the department shall take place until the final decision of the board. If the department preempts any portion of a local program, it shall collect the fees applicable to that portion of the program.

(5) Any local government may petition the commissioner requesting that additional plan review functions be allocated to that local government. The petition shall include evidence of the local government's capability to perform additional plan review functions. The commissioner, after review of the petition and supporting evidence, may grant or deny to the local government any part of a request for additional responsibility. If the commissioner denies any part of a petition, he shall explain his reasons for denial in writing, and provide a copy to the board and the local government. A local government may appeal the denial directly to the board, and the board shall review the appeal according to the procedures found in subsections (8) to (10) of KRS 198B.070. If the local government is granted additional responsibility by the commissioner or the board, the department shall hold concurrent jurisdiction over the additional responsibility, but the local government shall collect any fees for functions it performs pursuant to the additional responsibility.

(6) Any local government may also petition the commissioner requesting that plans and specifications inspection, building inspection, and approval responsibility relating to the application of local plumbing permits for local installations be allocated to the local government. The petition shall not be granted unless the local government has demonstrated to the commissioner that it can perform these functions in accordance with the provisions of KRS 198B.050 to 198B.090.

(7) The commissioner shall expedite the review of plans and specifications by assigning responsibilities and coordinating review activities among the department's various functional offices so as to prevent unnecessary duplication in the review of plans and specifications.

(8) Upon the effective date of the Uniform State Building Code, no building shall be constructed in this state until a local building official and an official representing the department, if the department has jurisdiction, issue a permit for the construction.

(9) The local building official or the representative of the department shall issue a permit if the proposed building satisfies the requirements of the Uniform State Building Code and if the party desiring to construct the building has complied with all other legal requirements concerning the location and construction of the building. The applicant for a building permit, by the act of applying for the permit, shall be deemed to have consented to inspection, by the local government or the department, of the building during construction and upon the completion of construction for the purpose of determining that the building is constructed in compliance with the Uniform State Building Code.

(10) (a) No permit for building, construction, reconstruction, renovation, demolition, or maintenance or for any activity related to building, construction, reconstruction, renovation, demolition, or maintenance shall be issued by any building department or by any political subdivision of the Commonwealth of Kentucky to any person seeking the permit unless the person ***or the person's representative,*** shall assure, by ***the showing of a current contractor's certification card or a membership card in a builders' association indicating the applicant is a member in good standing, to the examining official***~~[affidavit]~~, that all contractors***, independent contractors,*** and subcontractors employed, or that will be employed, on activity covered by the permit ***are certified as contractors with the department***~~[shall be in compliance with Kentucky requirements for workers' compensation insurance according to KRS Chapter 342 and unemployment insurance according to KRS Chapter 341]~~. ***The examining official, at the official's discretion, may require sufficient documentation of the person's identity or bona fide relationship to the applicant, if unknown to the examiner. A person who applies for a permit to do new construction himself or herself on his or her own legal residence or to do construction or improvements on other real property owned by the person, if these are not made with the intention of sale or lease within one (1) year after completion is not required to be certified as a contractor.***

(b) Any person who fails to comply with the assurances required under paragraph (a) of this subsection upon such finding by a court of competent jurisdiction, shall be fined an amount not to exceed ***ten***~~[four]~~ thousand dollars ***($10,000)***~~[($4,000)]~~ or an amount equal to the sum of all uninsured and unsatisfied claims brought under the provisions of KRS Chapter 342 and unemployment insurance claims for which no wages were reported as required by KRS Chapter 341, whichever is greater. ***The court may grant an injunction barring any violator from continuing work until any fine or compliance issue is resolved to the satisfaction of the court.***

(c) The penalty imposed in paragraph (b) of this subsection shall be enforced by ***officers, agents, or inspectors of the department; and by city, county, and Commonwealth's attorneys and the Attorney General, within their respective jurisdictions***[~~the county attorney for the county in which the violation occurred~~].

(11) After a certified electrical inspector has been employed, contracted for or with, or otherwise provided for by the local government or the department, no utility shall initiate permanent electrical service to any new building until a final certificate of approval has been issued by a certified electrical inspector. Unless the department shall notify the utility in writing as to which buildings are subject to departmental approval, it shall be presumed by the utility that the building is subject to the jurisdiction of the local government. However, nothing in this section shall prohibit the supply or use of necessary electrical services during the construction and testing process.

(12) This section shall apply to industrialized building systems, but destructive disassembly of industrialized building systems which carry a seal of approval pursuant to a manufactured building law in the state in which they were manufactured, which seal of approval is accepted by the Board of Housing, Buildings and Construction, shall not be performed in order to conduct the tests or inspections.

(13) No building on which construction was begun nor any industrialized building system on which site preparation and assembly were begun after the Uniform State Building Code became effective shall be occupied until the local building official or a representative of the department issues a certificate of occupancy certifying that the building was constructed in conformance with the standards of the Uniform State Building Code, or assembled or installed in conformance with applicable instructions.

(14) A local government may associate with other local governments, and may seek the technical assistance of other agencies or area development districts in order to provide for the local enforcement of the Uniform State Building Code.

(15) Local governments or associations of local governments may contract with a person, firm, or company to perform the plans and specifications inspection or building inspection functions required of the local government by the provisions of this section if:

(a) The person performing the plans and specifications inspection is certified by the department as having successfully completed the test requirements provided by KRS 198B.090 to practice as a certified plans and specifications inspector;

(b) The person performing the building inspection is certified by the department as having successfully completed the test requirements provided in KRS 198B.090 to practice as a certified building inspector;

(c) The person, firm, or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities;

(d) The person performing the plumbing inspection is certified by the department as having successfully completed the requirements provided in KRS 318.140 to practice as a certified plumbing inspector; and

(e) The person, firm, or company does not have a conflict of interest between its plan review or inspection functions and any other employment or business activities.

(16) If the department has reason to believe that an inspector is not enforcing, or is improperly enforcing, the provisions of the Kentucky building codes, it shall conduct an informal hearing to review the inspector's procedures and return in written form the required corrections resulting from the hearing to the inspector, or may take action to suspend or revoke the inspector's certificate.

(17) If, after written notification from the department to the inspector of any corrections required, the inspector fails to comply within sixty (60) days, the department shall suspend the inspector's certification until the inspector complies. Any action to suspend or revoke an inspector's certificate may be appealed to the board, and upon appeal an administrative hearing shall be conducted in accordance with KRS Chapter 13B.

(18) Each local government and the department may establish a schedule of fees for the functions performed under the provisions of this chapter. The fees shall be designed to fully cover the cost of the service performed but shall not exceed the cost of the service performed. Fees payable to the department shall be paid into the State Treasury and credited to a trust and agency fund to be used by the department in carrying out the provisions of this chapter. No part of this fund shall revert to the general fund of the Commonwealth.

The department shall be responsible for the proper expenditure of these moneys as provided by law.

[~~(3) Any cash balance in excess of two million dollars ($2,000,000) in the insurance regulatory trust fund after all current fiscal year expenditures are met shall lapse to the general fund.~~]

HB 493, AN ACT relating to insurance.

Be it enacted by the General Assembly of the Commonwealth of Kentucky:

SECTION 1. A NEW SECTION OF SUBTITLE 39 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

No basic or added reparation obligor shall request a reduction or modification of charges from a provider of services to a secured person if reduction or modification would require the secured person to make any payment to the provider of the services to satisfy the charges for the services. This provision shall in no way be interpreted to require any payment by an obligor above the contracted coverage for reparation benefits.

Section 2. KRS 304.39-210 is amended to read as follows:

(1) Basic and added reparation benefits are payable monthly as loss accrues. Loss accrues not when injury occurs, but as work loss, replacement services loss, or medical expense is incurred. Benefits are overdue if not paid within thirty (30) days after the reparation obligor receives reasonable proof of the fact and amount of loss realized, unless the reparation obligor elects to accumulate claims for periods not exceeding thirty-one (31) days after the reparation obligor receives reasonable proof of the fact and amount of loss realized, and pays them within fifteen (15) days after the period of accumulation. ***This period shall not be extended by the internal or external review of medical expenses by the reparation obligor.*** If reasonable proof is supplied as to only part of a claim, and the part totals one hundred dollars ($100) or more, the part is overdue if not paid within the time provided by this section. Medical expense benefits may be paid by the reparation obligor directly to persons supplying products, services, or accommodations to the claimant.

(2) Overdue payments bear interest at the rate of twelve percent (12%) per annum, except that if delay was without reasonable foundation the rate of interest shall be eighteen percent (18%) per annum.

(3) A claim for basic or added reparation benefits shall be paid without deduction for the benefits which are to be subtracted pursuant to the provisions on calculation of net loss if these benefits have not been paid to the claimant before the reparation benefits are overdue or the claim is paid. The reparation obligor is entitled to reimbursement from the person obligated to make the payments or from the claimant who actually receives the payments.

(4) A reparation obligor may bring an action to recover benefits which are not payable, but are in fact paid, because of an intentional misrepresentation of a material fact, upon which the reparation obligor relies, by the insured or by a person providing an item of medical expense. The action may be brought only against the person providing the item of medical expense, unless the insured has intentionally misrepresented the facts or knows of the misrepresentation. An insurer may offset amounts he is entitled to recover from the insured under this subsection against any basic or added reparation benefits otherwise due.

(5) A reparation obligor who rejects a claim for basic reparation benefits shall give to the claimant prompt written notice of

the rejection, specifying the reason. If a claim is rejected for a reason other than that the person is not entitled to the basic reparation benefits claimed, the written notice shall inform the claimant that he may file his claim with the assigned claims bureau and shall give the name and address of the bureau.

SECTION 3. A NEW SECTION OF SUBTITLE 39 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

(1) A reparation obligor shall provide payments for loss in the order that the requests are received by the obligor, unless the reparation obligor chooses to accumulate benefits.

(2) If the reparation obligor chooses to accumulate benefits and if benefits which are applied for during this period exceed the coverage provided, any loss wage benefits or survivor's benefits shall be paid first. The remainder of benefits shall then be paid on a pro rata basis based on the total available coverage and the amount of the remaining claims then submitted.

Section 4. The following KRS section is repealed:

304.39-240 Assignment of benefits.

In no event shall a provider of services which agrees to a reduction or modification of the charges bill the secured person for the amount of the reduction or modification. Nothing in this section is intended to prohibit a provider of services from billing charges to a secured party if the charges are not paid by a reparation obligor because the reparation benefits have been exhausted.

Section 2. KRS 304.39-210 is amended to read as follows:

(1) Basic and added reparation benefits are payable monthly as loss accrues. Loss accrues not when injury occurs, but as work loss, replacement services loss, or medical expense is incurred. Benefits are overdue if not paid within thirty (30) days after the reparation obligor receives reasonable proof of the fact and amount of loss realized, unless the reparation obligor elects to accumulate claims for periods not exceeding thirty-one (31) days after the reparation obligor receives reasonable proof of the fact and amount of loss realized, and pays them within fifteen (15) days after the period of accumulation. ***Notwithstanding any provision of this chapter to the contrary, benefits are not overdue if a reparation obligor has not made payment to a provider of services due to the request of a secured person when the secured person is directing the payment of benefits among the different elements of loss.*** If reasonable proof is supplied as to only part of a claim, and the part totals one hundred dollars ($100) or more, the part is overdue if not paid within the time provided by this section. Medical expense benefits ***shall not***[~~may~~] be paid by the reparation obligor directly to persons supplying products, services, or accommodations to the claimant.

(2) Overdue payments bear interest at the rate of twelve percent (12%) per annum, except that if delay was without reasonable foundation the rate of interest shall be eighteen percent (18%) per annum.

An insurer may offset amounts he is entitled to recover from the insured under this subsection against any basic or added reparation benefits otherwise due.

(5) A reparation obligor who rejects a claim for basic reparation benefits shall give to the claimant prompt written notice of the rejection, specifying the reason. If a claim is rejected for a reason other than that the person is not entitled to the basic reparation benefits claimed, the written notice shall inform the claimant that he may file his claim with the assigned claims bureau and shall give the name and address of the bureau.

SECTION 3. A NEW SECTION OF SUBTITLE 39 OF KRS CHAPTER 304 IS CREATED TO READ AS FOLLOWS:

Section 1. KRS 189.390 is amended to read as follows:

(1) As used in this section, unless the context requires otherwise:

(a) "Business district" means the territory contiguous to and including a highway if, within six hundred (600) feet along the highway, there are buildings in use for business or industrial purposes that occupy three hundred (300) feet of frontage on one (1) side or three hundred (300) feet collectively on both sides of the highway;

(b) "Residential district" means the territory contiguous to and including a highway not comprising a business district if the property on the highway for a distance of three hundred (300) feet or more is improved with residences or residences and buildings in use for business; ***and***

(c) "State highway" means a highway or street maintained by the Kentucky Department of Highways[~~; and~~

~~(d) "Non-urbanized area" means an area located outside of the federal-aid urban boundary designated for urbanized areas of fifty thousand (50,000) population or more as defined by the United States Bureau of Census~~].

(2) An operator of a vehicle upon a highway shall not drive at a greater speed than is reasonable and prudent, having regard for the traffic and for the condition and use of the highway.

(3) If conditions exist that require lower speed for compliance with subsection (2) of this section, the speed of any vehicle in excess of the limits specified in this section shall be unlawful:

(a) For vehicles other than motor vehicles of five (5) horsepower or less, thirty-five (35) miles per hour in any business or residential district, except as provided in subsection (5) of this section, and fifty-five (55) miles per hour in other locations, except where the speed limit has been posted at sixty-five (65) miles per hour;

(b) For motor vehicles of five (5) horsepower or less, thirty-five (35) miles per hour in any location except as provided in subsection (5) of this section;

(c) Vehicles using off-street parking facilities offered for public use whether publicly or privately owned, fifteen (15) miles per hour.

(4) (a) If the secretary of transportation determines, upon the basis of an engineering and traffic investigation, that any speed limit is greater or less than is reasonable or safe under the conditions found to exist at any intersection, or upon any part of a state highway, the secretary of transportation may establish by official order a reasonable and safe speed limit at the location. The secretary shall not increase any speed limit established by subsection (3) of this section in excess of fifty-five (55) miles per hour.

(b) In a highway work zone, the Transportation Cabinet may temporarily reduce established speed limits without an engineering or traffic investigation. A speed limit established under this paragraph shall become effective when and where posted. The Transportation Cabinet shall post signs notifying the traveling public of the temporary highway work zone maximum speed limit. Nothing in this paragraph shall be construed to prevent the Transportation Cabinet from using moveable or portable speed limit signs in highway work zones.

(5) (a) A city or a county may by ordinance establish speed limits within its own jurisdiction, except as provided in paragraph (b) of this subsection.

(b) The alteration of speed limits on state highways within a city or a county shall not be effective until the alteration has been approved by the secretary of transportation. The secretary shall not approve any alteration that could increase any speed limit established by subsection (3) of this section in excess of fifty-five (55) miles per hour.

(c) If a county determines, upon the basis of an engineering and traffic investigation and study, that it is unsafe to park motor vehicles on or along any highway, other than a state highway, within the unincorporated areas of the county, or that in any business district the congestion of traffic justifies a reasonable limitation on the length of time any one (1) motor vehicle is permitted to park in such district so as to reduce the congestion, the fiscal court may by ordinance establish "no parking" areas on the highway, or limit the length of time any motor vehicle may be parked in any business district.

(d) Notwithstanding the other limitations in this subsection, the secretary of transportation may establish, by official order, reasonable and safe speed limits on interstate highways and divided highways with four (4) or more lanes and fully controlled access~~[and located in a nonurbanized area]~~, a speed limit not to exceed sixty-five (65) miles per hour.

(6) A person shall not drive a motor vehicle at a speed that will impede or block the normal and reasonable movement of traffic, except when reduced speed is necessary for safe operation or in compliance with law.

(7) In every charge for a violation of any speed limit specified in this section, the warrant or citation shall specify the speed at which the defendant is alleged to have driven, and the lawful speed limit applicable at the location where the violation is charged to have occurred.

(1) The provisions of this section shall be applicable in any city of the second ***or third*** class notwithstanding any other provisions of this chapter relating to the discontinuance of prohibition in any county, city, or territory which may be to the contrary.

(2) In any city of the second ***or third*** class in which prohibition is in effect in all or part of the city, and upon a determination that an economic hardship exists in one (1) or more of the voting precincts of the city in the manner prescribed in subsection (10) of this section, the governing body of the city shall by ordinance designate ***the***[~~such~~] precinct or precincts as a limited sale precinct or precincts and shall provide for an election to be held in ***the***[~~such~~] precinct or precincts to take the sense of the people of each ***of these precincts***[~~such precinct~~] as to the discontinuance of prohibition in ***the***[~~such~~] precinct.

(3) The election shall be held in ***the***[~~such~~] precinct or precincts in the manner prescribed in KRS 242.010 to 242.040 and KRS 242.060 to 242.120. ***The***[~~Such~~] election shall not be deemed to be an election in the "same territory" within the meaning of subsection (5) of KRS 242.030; provided, however, that no election on the same question shall be held in the same precinct or precincts more often than once every five (5) years.

(4) The question shall be presented to the voters in conformance with the requirements of KRS 242.050 except that the form of the proposition shall be, "Are you in favor of the sale of alcoholic beverages in (official name and designation of precinct)?"

(5) If a majority of the votes cast in any limited sale precinct in which an election is held pursuant to this section are in favor of the sale of alcoholic beverages in that precinct, the governing body of the city shall by ordinance create or provide for the office of city alcoholic beverage control administrator and shall adopt a comprehensive regulatory ordinance covering the licensing and operation of establishments for the sale of alcoholic beverages within a limited sale precinct. In its discretion the governing body may provide that:

- (a) Only three (3) licenses permitting the package sale at retail of alcoholic beverages shall be granted within the territorial limits of any limited sale precinct.
- (b) Only four (4) licenses to sell alcoholic beverages by the drink for consumption on the premises by the general public shall be granted in any one (1) limited sale precinct. One (1)[~~ such~~] license in each limited sale precinct may be reserved for grant to any newly established hotel, motel or inn containing not less than fifty (50) sleeping units and having dining facilities for not less than one hundred (100) persons. The remaining three (3) licenses may be granted to a hotel, motel***,*** or inn meeting the aforestated requirements or to bona fide restaurants open to the general public having dining facilities for not less than one hundred (100) persons; and further provided that additional licenses to sell alcoholic beverages by the drink for consumption on the premises may be granted to social membership clubs established and maintained for the benefit of members only by bona fide fraternal or veterans organizations.

(6) The governing body may also incorporate in the regulatory ordinance ***any***[~~such~~] other reasonable rules and regulations as may be necessary or desirable for the proper administration and enforcement of this section and for the maintenance of public order in a limited sale precinct, and for the issuance of any licenses permitted by KRS 243.070; provided that any rule or regulation adopted in the regulatory ordinance shall conform to the requirements of KRS 241.190.

(7) Notwithstanding any limitations imposed on the city's taxing or licensing power by KRS 243.070 upon the discontinuance of prohibition in any limited sale precinct, the governing body of the city is hereby authorized to impose a regulatory license fee upon the gross receipts of each establishment located therein and licensed to sell alcoholic beverages. The regulatory license fee may be levied at the beginning of each city budget period at ***a***[~~such~~] percentage rate as shall be reasonably estimated to fully reimburse the city for the estimated costs of any additional policing, regulatory or administrative expenses related to the sale of alcoholic beverages in the city. ***The***[~~Such~~] regulatory license fee shall be in addition to any other taxes, fees or licenses permitted by law, but a credit against ***the***[~~such~~] fee shall be allowed in an

amount equal to any licenses or fees imposed by the city pursuant to KRS 243.070.

(8) Subject to the limitation imposed by subsection (3) of this section, no provision contained in this section providing for the establishment of a limited sale precinct shall preclude or abridge the right of the constitutionally qualified voters of ***the***[~~such~~] precinct to petition for a subsequent election on the same question.

(9) If an election is held pursuant to other provisions of KRS Chapter 242 in the city or the county in which a limited sale precinct is located for the purpose of taking the sense of the voters upon the question of adopting or repealing prohibition for the entire city or the entire county, the status of ***the***[~~such~~] question in a limited sale precinct shall be determined in the following manner:

(a) The status of a limited sale precinct shall not be affected by any election for the entire city or the entire county if ***the***[~~such~~] limited sale precinct was established less than five (5) years prior to the date of the proposed election for the entire city or the entire county and in such case the voters of any limited sale precinct shall not vote in ***the***[~~such~~] election.

(b) If ***the***[~~such~~] limited sale precinct was established more than five (5) years prior to the date of the proposed election for the entire city or the entire county, the voters within each limited sale precinct shall be presented with the question, "Are you in favor of continuing the sale of alcoholic beverages in (official name and designation of precinct) as a limited sale precinct?" No other question shall be presented to the voters of any limited sale precinct.

(c) The votes of each limited sale precinct shall be counted separately, and, if a majority of the votes cast in the limited sale precinct are in favor of continuing the sale of alcoholic beverages therein as a limited sale precinct, then ***the***[~~such~~] status shall continue within ***the***[~~such~~] precinct, except that if the city or the county in which the limited sale precinct is located votes against prohibition in the remainder of the city or the county, the limited sale precinct status of any precinct may be terminated by the governing body of the city or the county and thereafter the status of ***the***[~~such~~] precinct shall be the same as that in effect for the remainder of the city or the county.

(10) Any precinct located entirely within any city of the second ***or third*** class in which prohibition is in effect in all or part of the city shall be designated as a limited sale precinct by the governing body of the city; provided that:

(a) The governing body determines to its satisfaction that the general trade, business and economy of one (1) or more of the precincts within the city is substantially adversely affected by reason of the legal sale of alcoholic beverages in any neighboring or adjoining state, county, city, town, district or precinct. For the purpose of making ***the***[~~such~~] determination, the governing body may hold such hearings, examine such witnesses or receive ***any***[~~such~~] evidence as it believes necessary or desirable for ***the***[~~such~~] purpose; or

(b) The governing body receives a petition signed by a number of constitutionally qualified voters of a precinct equal to thirty-three percent (33%) of the votes cast in the precinct at the last preceding general election requesting the governing body of the city to designate such precinct as a limited sale precinct. The petition may consist of one (1) or more separate units and shall be filed with the mayor of the city. In addition to the name of the voter, the petition shall also state his post office address and the correct date upon which his name is signed. Upon receipt of the petition, the mayor shall cause the same to be presented to the governing body of the city at its next regularly scheduled meeting and, after verifying that such petition is in compliance with the requirements of this section, the governing body shall forthwith by ordinance designate the precinct to be a limited sale precinct.

(9) "Accepted medical procedures" shall mean procedures of the type performed in the manner and in a facility with equipment sufficient to meet the standards of medical care which physicians engaged in the same or similar lines of work, would ordinarily exercise and devote to the benefit of their patients.

(10) "Medical emergency" means any physical condition which, on the basis of the physician's good faith clinical judgment, so complicates the physical medical condition of a pregnant female as to necessitate the immediate abortion of her pregnancy to avert her death or for which a delay will create serious risk of substantial and irreversible impairment of a major bodily function.

(11) "Probable gestational age of the embryo or fetus" means the gestational age that, in the judgment of a physician, is, with reasonable probability, the gestational age of the embryo or fetus at the time that the abortion is planned to be performed.

(12) "Qualified person" means an agent of the physician who is a psychologist, licensed social worker, licensed professional counselor, registered nurse, or physician.

SECTION 2. A NEW SECTION OF KRS 311.710 TO 311.820 IS CREATED TO READ AS FOLLOWS:

(1) No abortion shall be performed or induced except with the voluntary and informed written consent of the woman upon whom the abortion is to be performed or induced. Except in the case of a medical emergency, consent to an abortion is voluntary and informed if and only if:

(a) At least twenty-four (24) hours prior to the abortion, a physician has orally and in person informed the woman of all of the following:

1. The nature and purpose of the particular abortion procedure or treatment to be performed and of those medical risks and alternatives to the procedure or treatment that a reasonable patient would consider material to the decision of whether or not to undergo the abortion.

2. The probable gestational age of the embryo or fetus at the time the abortion is to be performed.

3. The medical risks associated with the pregnant woman carrying her pregnancy to term.

4. A description of the proposed abortion method and those risks of abortion when medically accurate including, but not limited to, the risks of infection, hemorrhage, danger to subsequent pregnancies, and breast cancer.

(b) At least twenty-four (24) hours prior to the abortion, in an individual, private setting, a qualified person to whom the responsibility has been delegated by the physician, has informed the pregnant woman that:

1. The cabinet publishes the printed materials described in paragraphs (a) and (b) of subsection (2) of this section and that she has a right to review the printed materials and that copies will be provided to her free of charge by the physician, licensed nurse, physician assistant, or social worker if she chooses *to review the printed materials.*

2. Medical assistance benefits may be available for prenatal care, childbirth, and neonatal care, and that more detailed information on the availability of this assistance is contained in the printed materials published by the cabinet.

3. The father of the fetus is liable to assist in the support of her child, even in instances where he has offered to pay for the abortion.

(c) At least twenty-four (24) hours prior to the abortion, a copy of the printed materials has been provided to the pregnant woman if she chooses to view these materials.

(d) The pregnant woman certifies in writing, prior to the performance or inducement of the abortion:

1. That she has received the information required to be provided under paragraphs (a), (b), and (c) of this subsection; and

2. That she consents to the particular abortion voluntarily and knowingly and she is not under the influence of any drug of abuse or alcohol.

(e) Prior to the performance or inducement of the abortion, the physician who is scheduled to perform or induce the abortion or the physician's agent receives a copy of the pregnant woman's signed statement, on a form which may be provided by the physician, on which she consents to the abortion. The form shall include the certification required by paragraph (d) of this subsection.

(2) By January 1, 1999, the cabinet shall cause to be published in English in a typeface not less than twelve (12) point type the following materials:

(a) Materials that inform the pregnant woman about public and private agencies and services that are available to assist her through her pregnancy, upon childbirth, and while her child is dependent, including, but not limited to, adoption agencies. The materials shall include a comprehensive list of the available agencies, a description of the services offered by the agencies, and the telephone numbers and addresses of the agencies. The materials shall also inform the pregnant woman about available medical assistance benefits for prenatal care, childbirth, and neonatal care, and about the support obligations of the father of a child who is born alive. The cabinet shall ensure that the materials are comprehensive and do not directly or indirectly promote, exclude, or discourage the use of any agency or service described in this section.

(b) Materials that inform the pregnant woman of the probable anatomical and physiological characteristics of the zygote, blastocyte, embryo, or fetus at two (2) week gestational increments for the first sixteen (16) weeks of her pregnancy and at four (4) week gestational increments from the seventeenth week of her pregnancy to full term, including any relevant information regarding the time at which the fetus possibly would be viable. The materials shall use language that is understandable by the average person who is not medically trained, shall be objective and nonjudgmental, and shall include only accurate scientific information about the zygote, blastocyte, embryo, or fetus at the various gestational increments. The materials shall include, for each of the two (2) or four (4) week increments specified in this paragraph, a pictoral or photographic depiction of the zygote, blastocyte, embryo, or fetus. The materials shall also include, in a conspicuous manner, a scale or other explanation that is understandable by the average person and that can be used to determine the actual size of the zygote, blastocyte, embryo, or fetus at a particular gestational increment as contrasted with the depicted size of the zygote, blastocyte, embryo, or fetus at that gestational increment.

(3) Upon submission of a request to the cabinet by any person, hospital, physician, or medical facility for one (1) or more copies of the materials published in accordance with subsection (2) of this section, the cabinet shall make the requested number of copies of the materials available to the person, hospital, physician, or medical facility that requested the copies. The cabinet shall charge a fee for each copy sufficient to cover the cost of preparation of the materials and postage.

(4) If a medical emergency compels the performance or inducement of an abortion, the physician who will perform or induce the abortion, prior to its performance or inducement if possible, shall inform the pregnant woman of the medical indications supporting the physician's judgment that an immediate abortion is necessary. Any physician who performs or induces an abortion without the prior satisfaction of the conditions specified in subsection (1) of this section because of a medical emergency shall enter the reasons for the conclusion that a medical emergency exists in the medical record of the pregnant woman.

(5) If the conditions specified in subsection (1) of this section are satisfied, consent to an abortion shall be presumed to be valid and effective.

(6) The failure of a physician to satisfy the conditions of subsection (1) of this section prior to performing or inducing an abortion upon a pregnant woman may be the basis of the following:

(a) A civil action for compensatory, exemplary, and punitive damages as described in Section 3 of this Act; and

(b) Disciplinary action pursuant to KRS 311.595.

SECTION 3. A NEW SECTION OF KRS CHAPTER 311.710 TO 311.820 IS CREATED TO READ AS FOLLOWS:

(1) Any physician who performs or induces an abortion with actual knowledge that the conditions specified in subsection (1) of Section 2 of this Act have not been satisfied or with a wanton indifference as to whether those conditions have been satisfied shall be liable for compensatory and exemplary damages in a civil action to any person, or any representative of the estate of any person, who sustains injury, death, or loss to person or property as a proximate result of the failure to satisfy those conditions. In the civil action, the court additionally may enter any injunctive or other equitable relief that it considers appropriate.

(2) Failure to provide the pregnant woman with information required by subsection (1) of Section 2 of this Act shall constitute prima facie evidence of failure to obtain informed consent in a civil action. The law of this Commonwealth shall not be construed to preclude award of punitive damages or damages for emotional distress even if unaccompanied by physical complications in any civil action brought pursuant to violations of Section 2 of this Act. Nothing in Sections 2 to 3 of this Act shall be construed to limit the common law rights of the woman to secure informed consent to any form of medical treatment, including abortion.

(3) The following shall be affirmative defenses in a civil action authorized by this section:

(a) The physician performed or induced the abortion under the circumstances described in subsection (4) of Section 2 of this Act;

(b) The physician satisfied the conditions specified in subsection (1) of Section 2 of this Act; and

(c) The physician or an agent of the physician requested copies of the materials published in accordance with subsection (2) of Section 2 of this Act from the cabinet, but the physician was not able to give a pregnant woman copies of the materials pursuant to paragraph (c) of subsection (1) of Section 2 of this Act and to obtain a certification as described in paragraphs (d) and (e) of subsection (1) of Section 2 of this Act because the cabinet failed to make the requested number of copies available to the physician or the physician's agent in accordance with subsection (3) of Section 2 of this Act.

2. Medical assistance benefits may be available for prenatal care, childbirth, and neonatal care, and that more detailed information on the availability of such assistance is contained in the printed materials published by the cabinet; and

3. The father of the fetus is liable to assist in the support of her child, even in instances where he has offered to pay for the abortion;

(c) At least twenty-four (24) hours prior to the abortion, a copy of the printed materials has been provided to the

2. That she consents to the particular abortion voluntarily and knowingly, and she is not under the influence of any drug of abuse or alcohol; and

(e) Prior to the performance or inducement of the abortion, the physician who is scheduled to perform or induce the abortion or the physician's agent receives a copy of the pregnant woman's signed statement, on a form which may be provided by the physician, on which she consents to the abortion and that includes the certification required by paragraph (d) of this subsection.

(2) By January 1, 1999, the cabinet shall cause to be published in English in a typeface not less than 12 point type the following materials:

(a) Materials that inform the pregnant woman about public and private agencies and services that are available to assist her through her pregnancy, upon childbirth, and while her child is dependent, including, but not limited to, adoption agencies. The materials shall include a comprehensive list of the available agencies and a description of the services offered by the agencies and the telephone numbers and addresses of the agencies, and inform the pregnant woman about available medical assistance benefits for prenatal care, childbirth, and neonatal care and about the support obligations of the father of a child who is born alive. The cabinet shall ensure that the materials are comprehensive and do not directly or indirectly promote, exclude, or discourage the use of any agency or service described in this section; and

(b) Materials that inform the pregnant woman of the probable anatomical and physiological characteristics of the zygote, blastocyte, embryo, or fetus at two (2) week gestational increments for the first sixteen (16) weeks of her pregnancy and at four (4) week gestational increments from the seventeenth week of her pregnancy to full term, including any relevant information regarding the time at which the fetus possibly would be viable. The materials shall use language that is understandable by the average person who is not medically trained, shall be objective and nonjudgmental, and shall include only accurate scientific information about the zygote, blastocyte, embryo, or fetus at the various gestational increments. The materials shall include, for each of the two (2) of four (4) week increments specified in this paragraph, a pictorial or photographic depiction of the zygote, blastocyte, embryo, or fetus. (3) Upon submission of a request to the cabinet by any person, hospital, physician, or medical facility for one (1) or more copies of the materials published in accordance with subsection (2) of this section, the cabinet shall make the requested number of copies of the materials available to the person, hospital, physician, or medical facility that requested the copies. The cabinet shall charge a fee for each copy sufficient to cover the cost of preparation of the materials and postage.

(4) If a medical emergency or medical necessity compels the performance or inducement of an abortion, the physician who will perform or induce the abortion, prior to its performance or inducement if possible, shall inform the pregnant woman of the medical indications supporting the physician's judgment that an immediate abortion is necessary. Any physician who performs or induces an abortion without the prior satisfaction of the conditions specified in subsection (1) of this section because of a medical emergency or medical necessity shall enter the reasons for the conclusion that a medical emergency exists in the medical record of the pregnant woman.

Parents and citizens of this Commonwealth stand greatly indebted to this esteemed public servant for the kind and able manner in which he cared for this young woman, thereby reflecting the honor and capableness which all servants of the public persevere to attain. SECTION 2. A NEW SECTION OF KRS CHAPTER 151B IS CREATED TO READ AS FOLLOWS:

(1) A manufacturer who sells or leases a new assistive device to a consumer, either directly or through an assistive device dealer or lessor, shall expressly warrant that the assistive device shall be free of any condition, defect, or malfunction which substantially impairs the use, value, or safety of the assistive device for a period of one (1) year after first possession of the assistive device by the consumer.

(2) If a manufacturer fails to furnish an express warranty as required by this section, the assistive device shall be covered by an express warranty as if the manufacturer had furnished an express warranty to the consumer as required by this section.

(3) Nothing in Sections 1 to 8 of this Act shall limit the ability of the manufacturer or any dealer or lessor from providing additional warranties on assistive devices nor limit or affect any other warranties applicable to assistive devices, whether implied or expressed.

SECTION 3. A NEW SECTION OF KRS CHAPTER 151B IS CREATED TO READ AS FOLLOWS:

If a new assistive device does not conform to an applicable express warranty and the consumer reports the nonconformity to the manufacturer, its agent, or authorized dealer or lessor within one (1) year after first possession of the assistive device by the consumer, the manufacturer, its agent, or authorized dealer or lessor shall make repairs necessary to conform the assistive device to the warranty, whether or not the repairs are made after one (1) year from the date of first possession of the assistive device by the consumer. Repairs made under warranty shall be made at no charge to the consumer.

SECTION 4. A NEW SECTION OF KRS CHAPTER 151B IS CREATED TO READ AS FOLLOWS:

(1) If, after a reasonable attempt to repair, the nonconformity is not repaired, the manufacturer shall carry out, at the option of the consumer, the requirements under paragraph (a) or (b) of this subsection.

(a) To provide for refunds, at the request of the consumer, the manufacturer shall do one (1) of the following:

1. Accept return of the assistive device and refund to the consumer and to any holder of a perfected security interest in the consumer's assistive device, as the interest may appear, the full purchase price including any finance charge paid by the consumer at the point of sale, plus collateral costs, less a reasonable allowance for use; or

2. (b) To receive a comparable new assistive device to that having the nonconformity or a refund, the consumer

shall offer to transfer possession of the nonconforming assistive device to its manufacturer. No later than thirty (30) days after that offer, the manufacturer shall provide the consumer with the comparable assistive device or a refund. When the manufacturer provides the comparable new assistive device or the refund, the consumer shall return the assistive device having the nonconformity to the manufacturer, along with any endorsements necessary to transfer legal possession to the manufacturer.

(2) If, after a reasonable attempt to repair, the nonconformity is not repaired, an assistive device lessor shall receive a refund from the manufacturer. To receive a refund, the assistive device lessor shall offer to transfer possession of a nonconforming assistive device to its manufacturer. No later than thirty (30) days after that offer, the manufacturer shall provide the refund to the assistive device lessor. When the manufacturer provides the refund, the assistive device lessor shall provide to the manufacturer any endorsements necessary to transfer legal possession to the manufacturer.

(3) Under this section, the current value of the written lease equals the total amount for which that lease obligates the consumer during the period of the lease remaining after its early termination, plus the assistive device dealer's early termination costs and the value of the assistive device at the lease expiration date, if the lease sets forth that value, less the assistive device lessor's early termination savings.

(4) Under this section, a reasonable allowance for use may not exceed the amount obtained by multiplying the total amount paid by the consumer under a purchase or for which the consumer is obligated under a written lease by a fraction, the denominator of which is one thousand eight hundred twenty-five (1,825), which is the number of days in a five (5) year period, and the numerator of which is the number of days that the consumer used the assistive device before first reporting the nonconformity to the manufacturer, assistive device lessor, or assistive device dealer.

(1) In addition to pursuing any other remedy, a consumer may bring an action to recover for any damages caused by a violation of Sections 1 to 8 of this Act in a court of appropriate jurisdiction in the county where the consumer resides or where the manufacturer resides or has its principal place of business. The court shall award a consumer who prevails in such an action the amount of any pecuniary loss, together with costs, disbursements, and reasonable attorney's fees, and any equitable relief the court determines is appropriate.

(2) Sections 1 to 8 of this Act shall not be construed to limit rights or remedies available to the consumer under any other law, and the remedies provided under Sections 1 to 8 of this Act are inclusive and in addition to any other remedies provided by law.

(1) Unless precluded by law, any child committed to the Department of Juvenile Justice or the cabinet may by the decision of the Department of Juvenile Justice or the cabinet or its designee, at any time during the period of his commitment, be:

(a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;

(b) Placed in the home of his parents, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a family service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;

(c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c), or (d) or any child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;

(d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;

(e) Treated as provided in KRS Chapter 645;

(f) Following the transfer or placement of a child pursuant to subsections (b), (c), (d), or (e) of this section, the Department of Juvenile Justice or the cabinet shall, within fourteen (14) days, excluding weekends and holidays, give written notice to the court of the transfer, the placement, and the reasons therefor.

(2) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of his parents, the child shall not be removed except in accordance with the following standards and procedures:

(a) If the family service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the family service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;

(b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the family service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a family service worker finds a committed, unattended child who is too young to take care of himself, the family service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the family service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the family service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(3) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. Notice of the conditions of such placement may be made available by the court to any law enforcement agency.

(4) The person in charge of any home to which a child is probated, and the governing authority of any private facility or agency to which a child is committed, shall make such reports to the court as the court may require, and such reports as the Department of Juvenile Justice or the cabinet may require in the performance of its functions under the law. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(5) ***The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the most current case plan, a copy of all treatment records, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.***

(6) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. Counties may pay or contribute towards the expenses of maintaining such children and, to the extent authorized by the fiscal court, the Department of Juvenile Justice may incur obligations chargeable to the county for such expenses.

Section 6. KRS 620.145 is amended to read as follows:

(1) Within sixty (60) days of the commitment date of a child due to abuse, neglect, or dependency, the Cabinet for Human Resources shall provide the court with jurisdiction an assessment of the child to determine:

(a) The child's current and historical educational functioning;

(b) The child's emotional and behavioral functioning; and

(c) The extent to which the child's life experiences and circumstances of commitment have created a disabling condition requiring special educational programming or other services to provide the child an appropriate public education.

(2) Upon discerning of an emotional, behavioral, or other disabling condition with negative impact upon a child's educational experience, the Cabinet for Human Resources as guardian of the child shall ensure that whatever services necessary are obtained to allow the child the benefit of a free, appropriate public education.

(3) Services required to allow the child a free, appropriate public education shall be limited to those required under Section 504 of Public Law 93-112, Public Law 94-142, or other federal statutes affecting children with emotional or behavioral disabilities.

(4) The Cabinet for Human Resources shall include activities undertaken to ensure a child committed to the Cabinet for Human Resources receives adequate public education in the six (6) month case progress report required by KRS 620.240.

(5) Any child removed from his home due to abuse, neglect, or dependency and placed in the least restrictive appropriate placement available shall, for the purposes of acquiring an appropriate public education, be considered a resident of the school district where the placement occurs.

(6) The Cabinet for Human Resources shall provide a copy of the assessment required by subsection (1) of this section to the foster parent, or other agency or entity providing residential care to a committed child, within five (5) days of filing the assessment with the court.

Section 7. KRS 610.120 is amended to read as follows:

(1) Except as otherwise provided by KRS Chapter 635, an order of commitment or an order of protective supervision or probation made by the court in the case of a child may be reviewed, continued, or terminated at any time prior to expiration on the court's own initiative or on motion by:

(a) A child who is affected by an order of juvenile session of District Court;

(b) The family, custodian, guardian, or legal representative of such a child;

(c) ***The Department of Juvenile Justice or the cabinet;***

(d) The county attorney of the county in which the committing court presides; or

Upon review of the child's case, the cabinet, any agency, facility or individual responsible for the supervision, care or treatment of the child, shall divulge and communicate such information regarding the child as the court may require.

(3) Except as otherwise provided by KRS Chapter 640 relating to youthful offenders, and KRS 610.110, 620.140, 635.060, or 635.090 relating to extending commitment beyond the age of eighteen (18), an order of commitment, temporary custody, or an order of protective supervision or probation made by the court in the case of a child shall be terminated when the child attains the age of eighteen (18). At least fourteen (14) days prior to the committed child's eighteenth birthday, the Department of Juvenile Justice or the cabinet shall prepare a summary of the information concerning the child and submit it with written notification to the committing court that a child's commitment is due to expire.

(2) The cabinet shall establish a reimbursement system for foster parents that comes as close as possible to meeting the actual cost of caring for foster children. The cabinet shall consider providing additional reimbursement for foster parents who obtain additional training, and foster parents who have served for an extended period of time. In establishing a reimbursement system, the cabinet shall also address the additional cost associated with providing care to children with exceptional needs.

(3) The cabinet shall review reimbursement rates paid to foster parents on a biennial basis and shall issue a report in October of each odd-numbered year to the Legislative Research Commission comparing the rates paid by Kentucky to the figures presented in the Expenditures on Children by Families Annual Report prepared by the United States Department of Agriculture and the rates paid to foster parents by other states. To the extent that funding is available, reimbursement rates paid to foster parents shall be increased on an annual basis to reflect cost of living increases.

(1) Unless precluded by law, any child committed to the Department of Juvenile Justice or the cabinet may by the decision of the Department of Juvenile Justice or the cabinet or its designee, at any time during the period of his commitment, be:

(a) Upon fourteen (14) days' prior written notice to the court, discharged from commitment. Written notice of discharge shall be given to the committing court and to any other parties as may be required by law;

(b) Placed in the home of his parents, a suitable foster home, or boarding home, upon such conditions as the Department of Juvenile Justice or the cabinet may prescribe and subject to visitation and supervision by a family service worker or juvenile probation and parole officer. At the time a committed child is placed in the home of his parents by the Department of Juvenile Justice or the cabinet, the parents shall be informed in writing of the conditions of the placement and the criteria that will be used to determine whether removal is necessary;

(c) Placed in one (1) of the facilities or programs operated by the Department of Juvenile Justice or the cabinet, except that no child committed under the provisions of KRS 610.010(1)(b), (c), or (d) or any child ten (10) years of age or under shall be placed in a facility operated by the Department of Juvenile Justice for children adjudicated as public offenders;

(d) Placed in a child-caring facility operated by a local governmental unit or by a private organization willing to receive the child, upon such conditions as the cabinet may prescribe;

(e) Treated as provided in KRS Chapter 645;

(f) Following the transfer or placement of a child pursuant to subsections (b), (c), (d), or (e) of this section, the Department of Juvenile Justice or the cabinet shall, within fourteen (14) days, excluding weekends and holidays, give written notice to the court of the transfer, the placement, and the reasons therefor.

(2) If a child committed to the cabinet as dependent, neglected, or abused is placed in the home of his parents, the child shall not be removed except in accordance with the following standards and procedures:

(a) If the family service worker believes that the committed child continues to be dependent, neglected, or abused, but immediate removal is unnecessary to protect the child from imminent death or serious physical injury, the casework situation and evidence shall be reviewed with his supervisor to determine whether to continue work with the family intact or to remove the child. There shall be documentation that the family service worker, prior to the court hearing, made an effort to contact the parents to inform them of the specific problems that could lead to removal so they have an opportunity to take corrective action. If the parents are unavailable or do not respond to attempts to communicate, the specific circumstances shall be documented;

(b) If it appears that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm and there is not reasonably available an alternative less drastic than removal of the child from the home, the cabinet shall petition the District Court to review the commitment pursuant to KRS 610.120 in relation to the cabinet's intention to remove the child from the parent's home. The petition shall set forth the facts which constitute the need for removal of the child. The court shall serve notice of the petition and the time and place of the hearing on the parents; however, the family service worker shall also contact the parents to ensure that they received the notice and are aware of the right to be represented by counsel. If the parents' whereabouts are unknown, notice may be mailed to the last known address of an adult who is a near relative. If the court fails to find that the child's health or welfare or physical, mental, or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall not be removed from the parents' home;

(c) If a family service worker finds a committed, unattended child who is too young to take care of himself, the family service worker shall make reasonable efforts to arrange for an emergency caretaker in the child's home until the parents return or fail to return within a reasonable time. If no in-home caretaker is available for the child, the family service worker shall request any appropriate law enforcement officer to take the child into protective custody. If, after a reasonable time, it appears the child has been abandoned, the cabinet shall petition the District Court to review the case; or

(d) If there exist reasonable grounds to believe that the child is in danger of imminent death or serious physical injury or is being sexually abused and that the parents are unable or unwilling to protect the child, the family service worker shall, with the assistance of a law enforcement officer, immediately remove the child prior to filing a petition for review. Within seventy-two (72) hours after the removal, the cabinet shall file a petition for review in District Court pursuant to KRS 610.120 with a request for an expeditious hearing. If the court fails to find that the child's health or welfare or physical, mental or emotional condition is subjected to or threatened with real and substantial harm, or recommends a less drastic alternative that is reasonably available, the child shall be returned to the parents' home.

(3) The cabinet or the Department of Juvenile Justice, as appropriate, shall notify the juvenile court of the county of placement with the conditions of supervised placement of each child placed in that county from one (1) of the residential treatment facilities operated by the Department of Juvenile Justice or the cabinet. The Department of Juvenile Justice or the cabinet shall have the power to make such visitations and inspections of the homes, facilities, and agencies in which children who have committed public offenses have been placed as it deems necessary to carry out its functions under the law.

(5) ***The Department of Juvenile Justice or the cabinet shall provide a written transfer summary to the person in charge of any foster home or any governing authority of any private facility or agency in which the Department of Juvenile Justice or the cabinet has placed a child. The written summary shall include, at a minimum, demographic information about the child, a narrative statement detailing the child's prior placements, the length of time the child has been committed, a description of the services and assistance provided to the child or the child's family since the***

most current case plan, a copy of the current case plan for the child and the child's family, and a copy of the child's medical and educational passport, if available, provided that no information shall be provided that violates any statutory confidentiality requirements. The transfer summary shall be provided by the Department of Juvenile Justice if it is responsible for the child, or the cabinet if it is responsible for the child, within seven (7) days of the placement of the child with the person, agency, or facility providing care to the child.

(6) The Department of Juvenile Justice may assist the courts in placing children who have committed public offenses in boarding homes, and, under agreements with the individual courts, may assume responsibility for making such placements. (2) Upon discerning of an emotional, behavioral, or other disabling condition with negative impact upon a child's educational experience, the Cabinet for Human Resources as guardian of the child shall ensure that whatever services necessary are obtained to allow the child the benefit of a free, appropriate public education.

(5) Any child removed from his home due to abuse, neglect, or dependency and placed in the least restrictive appropriate placement available shall, for the purposes of acquiring an appropriate public education, be considered a resident of the school district where the placement occurs.

(6) The Cabinet for Human Resources shall provide a copy of the assessment required by subsection (1) of this section to the foster parent, or other agency or entity providing residential care to a committed child, within five (5) days of filing the assessment with the court.

(1) All cities of the Commonwealth are vested with the power to sell franchises or, where no franchise is sold, grant authorizations for the operation of city buses over their streets and highways; provided, however, no person shall apply for or obtain any such franchise or authorization from any city without a prior finding by the Department of Vehicle Regulation, after a hearing, conducted pursuant to KRS 281.625, that there is a demand and necessity for the service sought to be rendered, which finding shall be valid and effective for a period of one (1) year from and after the date thereof, exclusive of any delay due to the order of any court. Upon certification by the department to a city that there is a demand and necessity for the service sought to be rendered, any city may award any duly qualified person a franchise or authorization covering the proposed operation. Upon acquiring a franchise or authorization, the holder thereof shall apply to the Department of Vehicle Regulation for a city bus certificate which shall be issued to the holder of the franchise or authorization without a hearing. The governing body of any city of the first five (5) classes which does not have a city bus service may determine that there is a demand and necessity for a city bus service, and may thereafter apply to the Department of Vehicle Regulation for a city bus certificate to be operated by the city which may be issued without a hearing, if the department determines that it will be in the public interest. Unless a certificate is exercised within one (1) year from the grant thereof, exclusive of any delay due to the order of any court, the authority conferred by the issuance of the certificate of convenience and necessity shall be void.

(2) The applicant for a certificate or renewal of a certificate to operate a city bus shall at the time of application file with the department a map or maps showing the route or routes and territory proposed to be served, together with a time schedule, and shall thereafter, during the license year, file only those additional maps or time schedules that the commissioner may require.

However, where a carrier's entire operation is confined to intracity transportation within the corporate limits of a single city, there shall be no appeal to the department from the actions, findings, or orders of the city. Provided further, that where any city bus is subject to the regulatory powers of more than one (1) city and the regulations are in conflict or such as to impede the transportation facilities serving the cities, or the carrier is failing to furnish safe, adequate and convenient service to the public, the department may, upon complaint or on its own initiative, call a hearing and enter orders as are necessary and proper.

(4) The governing body of any city of the first five (5) classes in the Commonwealth in which taxicabs operate shall have supervisory and regulatory power over taxicabs certificated to operate in the city, and while operating in the city, and shall have authority to enforce all ordinances or regulations pertaining to the number and operation of taxicabs, but any interested party may appeal to the department from any action, finding, or order of any city within thirty (30) days after the entry of the action, finding, or order, and a hearing shall be held before the department in the same manner as other hearings are held as provided for in this chapter; however, any action, finding, or order of any city shall be sustained if there is substantial evidence or reason to support it; otherwise, the department shall make any orders that it deems necessary and proper. However, where a carrier's entire operation is confined to intracity transportation within the corporate limits of a single city, there shall be no appeal to the department from the actions, findings, or orders of the city.

(5) The governing body of any city of the first five (5) classes in the Commonwealth is hereby vested with the exclusive

power to prescribe the qualifications with respect to the health, vision, sobriety, intelligence, ability, moral character, and experience of the drivers of taxicabs certificated to operate in the city, and while operating in the city, and may issue permits for qualified drivers. However, any taxicab driver must also possess a Kentucky operator's license.

(6) Until any city of the Commonwealth enacts ordinances or prescribes rules and regulations as may be reasonably necessary to exercise the prior powers delegated in this section to the cities respecting the supervision and regulation of city buses, taxicabs, and taxicab drivers, the department shall possess the powers and may promulgate administrative regulations reasonably necessary to supervise and control city buses, taxicabs, and taxicab drivers, having regard for the public safety and the public need for service.

(7) If any city fails to exercise any of the authority granted it in this section, the authority shall be vested in the department.

(8) The department may, under the provisions of this chapter, originate, establish, change, promulgate, and enforce any rate that has or may be fixed by any contract, franchise, or agreement between the holder of any city bus certificate and any city, and all rights and obligations arising out of any contract regulating any rate shall be subject to the jurisdiction and supervision of the department, but no rate shall be changed nor any contract, franchise, or agreement affecting it be abrogated or changed until a hearing has been conducted.

(9) The governing body of a city shall not have authority over a motor vehicle that is being operated as a human service transportation delivery vehicle under a contract with the Transportation Cabinet in accordance with subsection (4) of Section 2 of this Act.

Section 7. KRS 281.6185 is amended to read as follows:

(4) The holder or owner of a taxicab certificate shall not provide transportation in a disabled persons vehicle as defined in KRS 281.014(5)(a).

2. If, after review of the disputed deficiencies, the regional office staff affirms the deficiencies, the licensee or applicant may accept the findings of the regional office staff and make any corrections required by the cabinet, or may, within thirty (30) days of receipt of the notice, request in writing a meeting with the secretary or the secretary's designee. The secretary may designate an individual who holds the position of director or above to serve as the designee.

3. The secretary or the secretary's designee shall meet in person with the licensee or applicant and review the documentation available within fifteen (15) days of receipt of the request.

All warrants issued by the Finance and Administration Cabinet shall be submitted to the Treasurer[~~, accompanied by a list of all the warrants submitted at any one (1) time~~], showing for each warrant the name of the payee ***and***[~~,~~] the amount[~~, and the fund against which drawn, and each list shall show the total of the amounts of all the warrants listed~~].

A single authorization may be granted for multiple payments to a payee by means of direct deposit.

(2) For the purpose of implementing this section and unless the context requires a different meaning, the term "check" as used in this chapter shall mean either a paper check or a paperless entry on an electronic data processing medium that substitutes for a paper check for the purposes of debiting or crediting an account and of which a permanent record is made.

Section 10. KRS 41.170 is amended to read as follows:

The Finance and Administration Cabinet shall ***record***[~~enter~~] all warrants ***in the unified and integrated system of accounts***[~~into a general ledger account for warrants payable~~]. Section 13. KRS 41.350 is amended to read as follows:

(1) Canceled checks of the State Treasurer upon state depository banks shall be microfilmed and the original check preserved by the State Treasurer for a period of one (1) year. Section 14. KRS 41.370 is amended to read as follows:

(1) Any check issued by the State Treasurer shall not be valid as an order for payment after one (1) year from its date of issue and this limitation shall appear on all checks issued. The State Treasurer is authorized to clear ***the***[~~his~~] records of all such unpaid checks and credit the amounts to the fund against which it was originally drawn.

(2) When any properly endorsed check issued by the State Treasurer is presented for payment more than one (1) year after its date of issue and within the period prescribed by KRS 413.120, the State Treasurer shall, upon satisfactory proof of ownership, cancel ***the***[~~such~~] check and forward it to the secretary of the Finance and Administration Cabinet with the date and ***identifying information***[~~number of the pay in voucher~~] which credited the amount of ***the***[~~such~~] check to a particular fund. The secretary of the Finance and Administration Cabinet shall draw a warrant against the check. All endorsements on the surrendered check shall have the same effect as if the check were paid by the drawee. All checks paid in the manner herein set forth shall be charged against the fund against which they were originally drawn.

(b) The election or appointment, succession, and term of officers.

(c) Financial accounting and property accountability.

(b) Procedures for all operations and response activities of the squad in accordance with the mission statement.

(3) A current copy of the bylaws and a current copy of all standard operating procedures shall be sent by the squad to the division. Amendments to the bylaws and standard operating procedures shall be sent to the division within ten (10) working days of their adoption. The division shall maintain a file of rescue squad bylaws and standard operating procedures. These files shall be public records. Copies of the bylaws and standard operating procedures of the squad, updated as required in this subsection, shall also be sent concurrently to the local emergency management director.

(4) Each rescue squad shall have a vehicle dedicated solely to rescue service. The make, model, year, vehicle identification number, and license number of each vehicle used by the squad solely for rescue service shall be supplied to the local emergency management director and to the division. When a new vehicle is put in service, or a vehicle is withdrawn from service, both the local director and the division shall be notified within ten (10) working days.

(c) Training at a rescue school provided by an emergency management agency or other appropriate training may be utilized to meet the requirements of subsection (2)(b) of this section.

(9) Rescue squads shall be formally affiliated with the local disaster and emergency services organization through the following means:

(a) Execution of a city or county order or ordinance, the adoption of a written search and rescue plan pursuant to Section 101 of this Act, and the promulgation of a written statement of affiliation as the local charter of authorization signed by the county judge/executive or mayor, the local emergency management director, and the chief rescue officer outlining a specific working agreement. (c) Incorporation of the responsibilities of the rescue squad into the rescue services annex of the local emergency operations plan or other appropriate annex.

(10) If either the chief elected official or the local director declines to sign the statement of affiliation provided for in subsection (9) of this section, the rescue squad shall be without local charter and shall return to the division all equipment purchased with state funds. This return of equipment shall take place within five (5) days of the refusal of either designee to sign the statement of affiliation. Neither the chief elected official nor the local director shall be required to state a reason why they sign or decline to sign a statement of affiliation.

(11) When a rescue squad is not independent, but is incorporated within other emergency service agencies or divisions, such as a fire department or fire division, the squad members shall be available for and capable of performing rescue services not incidental to their primary mission.

In determining membership eligibility, no person may be counted as a member of more than one (1) rescue squad even though that person may be available to or a member of more than one (1) rescue squad. If local funds were used to pay for a portion of the equipment or the equipment has depreciated, the squad may return the equipment to the division or repay an amount determined appropriate by the director. The option of repayment shall exist only upon the disbanding, loss of local charter, or determination of inability of the squad to perform its duties.

(f) The hourly wage has not been fixed or cannot be ascertained, the wage for the purpose of calculating compensation shall be taken to be the usual wage for similar services where the services are rendered by paid employees.

(6) The term "wages" as used in this section and KRS 342.143 means, in addition to money payments for services rendered, the reasonable value of board, rent, housing, lodging, and fuel or similar advantage received from the employer, and gratuities received in the course of employment from others than the employer to the extent the gratuities are reported for income tax purposes.

(c) Incorporation of the responsibilities of the rescue squad into the rescue services annex of the local emergency operations plan or other appropriate annex.

(10) If either the chief elected official or the local director declines to sign the statement of affiliation provided for in subsection (9) of this section, the rescue squad shall be without local charter and shall return to the division all equipment purchased with state funds. This return of equipment shall take place within five (5) days of the refusal of either designee to sign the statement of affiliation. Neither the chief elected official nor the local director shall be required to state a reason why they sign or decline to sign a statement of affiliation.
